## Romney Asks 2.5 Pct Income Tax

### New Snow Panics Chicago Shoppers

By The Associated Press  
Snow-stricken Chicago reeled under the onslaught of a second major storm today and buyers picked market shelves clean of

### Rebel Defector Aids Mao Win In Manchuria

TOKYO (AP)—Peking Radio claimed today that Mao Tse-tung has seized control of Manchuria's Heilongjiang Province in a bloody struggle won by the army with the help of a repentant anti-Mao party chief.

Heilongjiang was the third of China's 23 provinces and autonomous regions over which the Maoists via their official propaganda outlets have claimed control, along with the cities of Shanghai, Peking, Kwelyang, Taiyuan and Tsingtao.

These areas—Shansi and Kweichow are the other provinces—have less than 60 million of China's more than 700 million people.

There was no way of determining whether the anti-Mao forces of President Liu Shao-chi control the rest of China, or of determining the reliability of the Maoist claims either. Control of some other areas has been claimed by pro-Mao wall posters in Peking, but these claims have not been repeated by such official organs under Mao's control as Radio Peking, the New China News Agency or the Peking People's Daily.

dwindling supplies of meat and milk. The new four-inch coating of white in the Chicago area on this Groundhog Day brought the total accumulation on the ground to 30 inches.

Weather Bureau forecasters said the area could expect a total of 5 to 6 inches of new snow before the storm tapered off.

The new snow, expected to run its course today, was accompanied by freezing rain and high winds which caused drifts in some areas. But the bad weather failed to halt the mad pace of shoppers who scrambled to lay in supplies because of the new storm.

"It's panic, that's what it is," said an executive of one downtown grocery store. The executive had been pressed into service to push carts.

All around him shoppers battled to get to diminishing supplies of milk and meat. The bread long had been gone. As the snow fell outside, reminding many of last weekend's paralyzing blizzard, shoppers shoved, ran, grabbed, cursed, pushed and knocked others out of the way to get to food supplies.

Hazardous driving conditions prevailed throughout the Chicago area and officials pleaded with residents to leave their automobiles home unless it was absolutely necessary to drive.

O'Hare International Airport maintained near normal operations and Midway Airport was closed for a short time.

City and Chicago Transit Authority crews continued to plow as the storm grew in intensity. Downtown motels and hotels were jammed to capacity by the

end of Wednesday afternoon by commuters who wished to avoid a repetition of last week's events when they either were stalled in their automobiles or spent the night in whatever accommodation they could find.

The Weather Bureau today offered this advice to any groundhog hoping to see his shadow on Groundhog Day: "Forget it. Your hole will be piled over with snow."

Many suburban schools remained closed today, but most city elementary and parochial schools were open with classes starting at 10 a.m. Overcrowding slowed some transit authority elevated trains, and commuter trains were operating on slowed-down schedules.

The Chicago Park District picked Wednesday — of all days — to announce plans for its 33rd season of open-air summer concerts in Grant Park on the Lake Michigan front.

Chicago area hospitals urged friends and relatives of patients not to visit them during the new storm.

O'Hare airport police Wednesday night made three emergency trips to two Chicago hospitals with supplies of blood when airport helicopters were grounded due to the snow storm.

### GOP Committee Meets Feb. 24

LANSING (AP)—The winter meeting of the Republican State Central Committee, snowed out last weekend, has been rescheduled for Feb. 24 in Detroit.

The new date is the day before the committee's scheduled "spring" meeting. State law requires the body to meet four times a year.

### Loses \$8 Million:

### AMC Plans Minicar

DETROIT (AP)—For a sixth straight quarter, American Motors Corp. stockholders will get no dividend, but they have some detailed information about their firm's latest project — the minicar.

There was no spontaneous reaction to either of these develop-

ments among the 310 stockholders at AMC's annual meeting Wednesday.

Board Chairman Roy D. Chapin Jr. and President William V. Luneburg, named to their posts less than a month ago, said a 1966 first quarter profit of \$4 million had slipped to a net loss of \$8 million in the period ended last Dec. 31.

AMC sold 90,566 cars in the first quarter of this fiscal year, down from the 123,064 sold in the first quarter a year ago, they reported.

At the same time, Luneburg announced a new shutdown of AMC car building facilities for 10 working days starting Feb. 13. The shutdown will cut production down to the level of sales, he said.

AMC resumed production Monday after a two-week shutdown of its auto plants in Wisconsin.

At this point, Luneburg said, no further plant closures or cuts in the work force are planned for the rest of the 1967 model run.

Chapin became board chair-

man of AMC Jan. 9 and mentioned the possibility of a new small car. For the sake of AMC's 185,000 stockholders, he enlarged on the disclosure Wednesday.

The car, a minicar, will fit in between the smallest U.S. built car and the smaller imports, he said.

The Rambler American now is the lowest priced car in the U.S. and Chapin indicated the minicar would be smaller than the American, probably in both size and price.

### Picasso Etchings

FORT WORTH, Tex. (AP)—The Fort Worth Art Center Museum has obtained Pablo Picasso's "Suite Vollard," a series of 100 etchings commissioned by the late dealer-publisher Abroise Vollard.

Spokesmen said it is the most expensive item ever obtained by the museum, but the price was not disclosed.

"I'VE MADE NO decision," insists Michigan Gov. George Romney, considered a possible candidate for the Republican presidential nomination in 1968. Romney flew to Madison for a private talk with fellow GOP governor Warren P. Knowles, left. (AP Wirephoto)

### Johnson May Reply To Peace Proposal

WASHINGTON (AP)—President Johnson may reply today to North Vietnam's latest hint of peace talks — one reportedly sent to the United States this week through neutral countries.

Johnson is expected to deal with the issue at a midafternoon news conference.

The Hanoi government reportedly sent word to the United States this week that two policy statements made in Hanoi last weekend on the possibility of peace talks should get serious consideration in Washington.

The maneuver was carried out through neutral governments which urged the State Department to look carefully at the statements. The neutrals reportedly said they acted at the suggestion of North Vietnam.

Secretary of State Dean Rusk said Wednesday the long-sustained aerial assault is hurting

North Vietnam and took the line that the major objective of Hanoi's diplomatic campaign now is to get the bombing stopped.

Some U.S. officials, however, saw some possibility that peace talks might result.

Any move in this direction would confront Johnson with a policy decision on whether a promise of direct discussions on peace between the United States and North Vietnam would be a sufficient reason for ending the bombing.

The United States has said any halt to the bombing must also bring some Communist de-escalation of the military effort.

Both statements published in Hanoi said if the United States would stop bombing there could be talks between it and North Vietnam.

This stopped short of a Hanoi commitment to talk but U.S. officials, it is understood, are

trying to find out through diplomatic channels whether this is an indication of possible North Vietnamese readiness for peace discussions.

### Romney Allots \$214 Million To State Colleges

LANSING (AP)—Here are Gov. George Romney's general purpose budget recommendations for Michigan's 12 colleges and universities:

Central Michigan	\$8,138,306
Eastern Michigan	11,076,160
Ferris State	7,140,977
Grand Valley	2,222,234
Michigan State (including Oakland)	59,404,293
Michigan Tech	7,779,122
Northern Michigan	5,829,617
U. of Michigan	62,260,178
Wayne State	33,835,951
Western Michigan	15,559,007
Saginaw Valley	539,194
Inst. of Gerontology	214,351
Total	\$214,028,390

### Ask Federal Help

STURGIS (AP)—Glen Oaks Community College said Wednesday its request for \$81,721 in federal funds to implement student loan and work study programs, has gained preliminary approval from the regional office of the Department of Health, Education and Welfare in Chicago. The national office in Washington, D. C., still must approve the grant.

### \$1.153 Billions Budget Biggest Ever For State

LANSING (AP)—Gov. George Romney today recommended a general fund budget of \$1,153,200,000 for fiscal 1967-68 accompanied by a 2½ per cent personal income tax.

Romney said his budget, the first billion dollar-plus spending program ever proposed by a Michigan governor, represented a \$128-million increase over spending for the current fiscal year.

The governor released two separate messages—one dealing with his budget recommendations, the other outlining a proposed new tax program.

Romney said the proposed legislation "embodies provisions for reform and additional revenue," adding that "The need for both is obvious."

In addition to the personal income tax, Romney proposed a 5 per cent tax

on corporations, and 8 per cent tax on financial institutions and a 3-cent increase in the cigarette tax, all of which he said would yield 343 million in 1967-68.

### Yanks List 131 Killed In Week Of Viet Fight

SAIGON, South Vietnam (AP)—U. S. Marines today reported killing 68 Communist troops in the initial phases of two new drives in the northern part of South Vietnam.

In action elsewhere, American, Korean and South Vietnamese units claimed nearly 150 enemy dead in a series of clashes up and down the country.

U. S. military headquarters announced that 131 Americans were killed and 822 were wounded in action last week, a small increase over the previous week's toll of 123 killed and 716 wounded. South Vietnamese headquarters listed 157 government troops killed last week, a sharp drop from the 340 of a week earlier. A total of 979 enemy killed was reported by the Americans, a big drop from 1,681 the week before.

U. S. officials reported a high rate of surrender by the Viet Cong and its sympathizers continued in January. In the first 28 days of the month, officials said, 2,272 came over to the allied side under the Chieu Hoi (Open Arms) program, continuing the trend of 2,505 in November and 2,516 in December.

In the iron triangle northwest of Saigon, where a force of some 30,000 U. S. and South Vietnamese troops last week ended a 19-day scorched-earth operation to eliminate the Viet Cong stronghold, a small security patrol of the U. S. 1st Infantry Division suffered heavy casualties in a clash with a Viet Cong squad. The U. S. patrol was of squad size, a U. S. spokesman said, or from eight to 14 men.

He also proposed tax cuts totaling \$88 million, including repeal of the business activities tax, a \$10 per person cut in sales tax, a 10 per cent property tax reduction starting in 1968 and an increase in intangibles tax exemption from \$20 to \$100 a person.

The proposed tax program plus proposed cuts would result in a net of \$235 million in new revenue in 1967-68, Romney said.

Romney's estimated revenues included a beginning surplus of \$38 million along with \$932.9 million in revenue from present sources and a net of \$235 million in proposed new revenue.

He estimated his spending and taxation programs would result in a \$72.7-million surplus at the end of 1967-68.

The proposed income tax would become effective July 1, 1967, the corporate income tax

### Highlight

Governor Romney's budget proposals:

\$27.9 million capital (building fund) outlay, mostly for education, with \$49.5 million for 4-year colleges and universities and \$16.4 million for community colleges.

\$16.5 million for mental health.

\$4.9 million for Conservation Department activities.

\$665.6 million for education. Lansing Capitol complex and state office centers in Escanaba and Grand Rapids.

\$9.8 million for a traffic safety program (including \$2.3 million that would be federally reimbursed).

\$665.5 million for education, an increase of \$49.9 million and 8.5 pct. of the budget.

on Jan. 1, 1968. The cigarette tax increase would start July 1, 1967.

Romney, who recommended a \$844.9 million budget for this fiscal year, has maintained that supplemental appropriations and unexpected expenses of Michigan's Medicaid program will boost this year's spending to \$1,025 million.

Romney has told the Legislature that the state needs at least another \$100 million just to continue state services at their current level.

**Tax Or Cut Back**  
He also has told lawmakers a tax reform program must be passed by April 1 to be implemented July 1 or state programs will have to be cut back.

In his state of the state message last month, Romney said he will approve no additional spending unless he can see where the necessary income will come from.

It had been expected that Romney's tax proposal would be accompanied by elimination or reduction of certain taxes such as the tax on food and drugs and the business activities tax.

The \$1.153 billion figure provides more than the \$109 million increase Romney has said is necessary to keep services at their current levels. But it would provide little for increases in education costs and programs to alleviate such problems as water pollution.

Education has been the No. 1 recipient of state money in the past, accounting for approximately 50 per cent of the budget.

**Joint Session Tonight**  
State Budget Director Glenn Allen has predicted that a standard budget providing for no new source of income would wipe out the state's small treasury surplus and replace it with a \$121 million deficit at the end of the next fiscal year.

### Apollo 1 Fire Cause Remains A Mystery

CAPE KENNEDY, Fla. (AP)—The space agency's deputy administrator meets today with the board of review that reportedly is far from pinpointing the cause of the mysterious fire that killed the three Apollo 1 astronauts.

Dr. Robert C. Seamans of the National Aeronautics and Space Administration flies here to receive an interim report on the flash fire that raged through the Apollo spacecraft during a launch pad test last Friday.

Killed in the fiery mishap were Air Force Lt. Col. Virgil

I. Grissom and Edward H. White II and Navy Lt. Cmdr. Roger B. Chaffee.

To aid the investigators, a twin of the ill-fated Apollo was flown here Wednesday night from the North American Aviation Co. in Downey, Calif.

If necessary, the board of review will place Apollo 1 and its duplicate side-by-side — meticulously dismantling both, comparing them part by part.

The board reportedly has found no major suspect area after questioning witnesses and studying data radioed from the spacecraft during the test Friday.

Among many things, the board is considering the possibility that some foreign, highly-inflammable substance such as grease or paper might accidentally have been left near a heat source in the cabin.

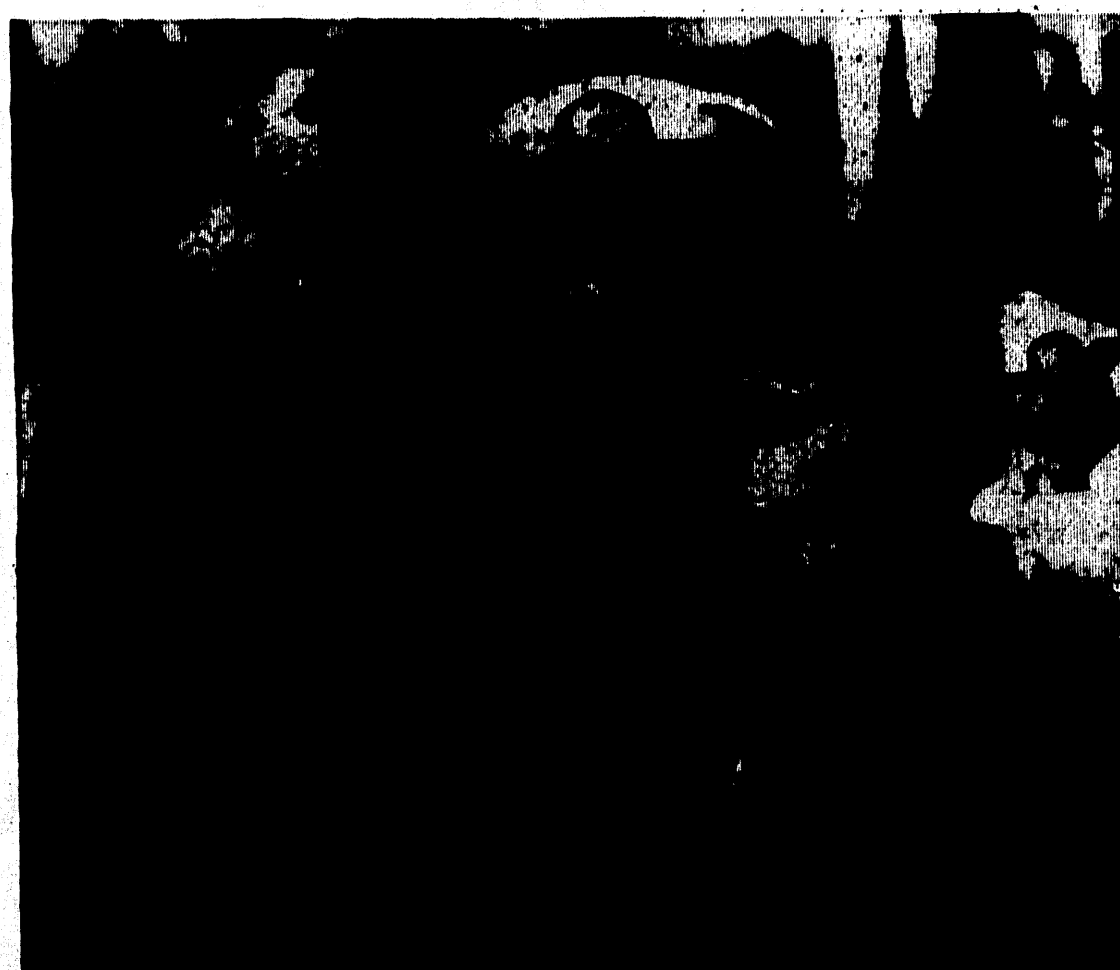

In a 100 per cent oxygen environment like that in Apollo 1, the flash point of any combustible is much lower than it would be under normal atmospheric conditions.

Throughout Wednesday, technicians carefully removed parts of the launch escape tower and other pieces in preparation for taking the charred craft from atop its Saturn 1 rocket on Launch Pad 34.

**House Names Probers**  
Wednesday night, they removed debris from the blackened cabin seats, piece by piece, cataloging each bit.

The House Armed Services committee Wednesday named a two-man subcommittee to investigate both the Cape Kennedy fire and a similar oxygen-fed blaze that killed two airmen Tuesday in San Antonio, Tex.

Appointed were Rep. Samuel S. Stratton, D-N.Y., and Rep. Durward G. Hall, R-Mo. They plan to fly to Cape Kennedy Friday and then to the Manned Spacecraft Center, Houston, Tex., and to the School of Aerospace Medicine in San Antonio.

PRESIDENT JOHNSON offers his condolences to Mrs. Martha Chaffee, widow of Astronaut Roger Chaffee, at burial services in Arlington National Cemetery. Mrs. Chaffee holds the American flag which draped the casket bearing the body of her husband. At center is Astronaut Eugene Cernan who was the widow's escort at the services. (AP Wirephoto)

# School Vote Monday In North Menominee

Three school districts in Northern Menominee County will vote from 7 a.m. to 8 p.m. EST on Monday, Feb. 6 on a proposal by the State School Reorganization Committee that they reorganize into one K-12 school district.

The districts are:

Precinct 1, Carney-Nadeau, which will vote in the Nadeau Township Hall. This district comprises Nadeau Township and part of Gourley.

Precinct 2, the Hermansville School District, which will vote in the Community Center in Hermansville. This district comprises Meyer Township.

Precinct 3, Powers-Spalding School District, which will vote in the Spalding Township Hall. This district comprises Spalding Township and parts of Harris and Gourley.

**1,145 Students**

The election, sponsored by the Menominee County Intermediate School District, will be under the authority of Act 289 of the Michigan Legislature in 1964, which legislated for consolidation of Michigan's school

districts for greater efficiency in schooling. The state has set a guideline of 2,000 minimum student enrollment in school districts and the three districts — reflecting a general non-populous condition in the Upper Peninsula — would total only 1,145 if they consolidated.

The Powers-Spalding Board of Education is urging a "Yes" vote, saying that although the ideal cannot be achieved in this election, a considerable improvement over the present small district organization can be achieved.

The reorganized district would have a school population about the size of the Norway-Vulcan District. If it could attract the Bark River-Harris District's more than 600 student population it would reach 1,800, which is about the size of the Stephenson Consolidated School District in the middle of Menominee County.

**District Data**

Carney-Nadeau has 404 students, of whom 184 are in grades 7-12 and 117 in 9-12. It has a state equalized value of \$3,345,182 and a debt of \$169,000. It levies 18.5 mills for schools, 5 mills for debt, 7.5 mills allocated for operation and 4 mills extra voted for operation.

Hermansville has 272 students, with 124 in 7-12, and 79 in 9-12. It has no debt, levies 19 mills, of which 7.5 are allocated from the 15 mill general property tax and 11.5 mills extra voted for operation. Its state equalized valuation is \$2,295,929.

Powers-Spalding has 467 students of whom 281 are in 7-12 and 135 in 9-12. Its valuation is \$4,110,415. It levies 5 mills to pay interest and principal on its \$275,000 debt, levies 7.5 mills allocated and 6.5 mills extra voted for operation for a total of 19.2 mills.

In the past 32 years Menominee County has reduced the number of its school districts from 68 to five, plus the county line straddling Bark River-Harris District, of which Harris Township is in Menominee County.

**Five Districts**

The county's K-12 districts are Menominee, Stephenson, Carney-Nadeau, Powers-Spalding and Hermansville.

Act 289 does not provide for automatic debt consolidation, each old district would have to pay off its debt after consolidation, unless, after three years, voters agreed to debt consolidation.

If the three districts approve the reorganization, the Menominee County Intermediate Board of Education composed of Herbert Corney, Stephenson, president; Jerry Poupore, of Spalding, vice president; Dr. Roger P. Seidl, Menominee, treasurer, and County School Superintendent Floyd Paronto, Menominee, secretary, would appoint a temporary board of education until a new board was elected.

## Rock

The Rock and Perkins Boards of Education met at the Perkins School Monday evening to discuss mutual problems. The Boards decided to conduct a study to help solve similar problems of both school districts.

The Rock 4-H Club will meet Wednesday at 7 p.m. at the Rock Lions clubhouse. The County 4-H Fair, to be held in Gladstone Feb. 12, will be discussed. The Rock 4-H King and Queen will also be selected to represent the club on Achievement Day in Escanaba.

Rock 4-H members from the seventh grade up are invited to attend a dance at the Rapid River Legion Hall Saturday, Feb. 4 from 7:30 to 10:30 p.m. The "Footmen" will furnish the music. The Sno-Ball is being sponsored by the Ensign 4-Hers. Anyone wishing to attend should contact Mrs. Albert Weldum for transportation.

Mrs. Lillian Roberts will continue collecting Maple Ridge Township taxes at her home on Fridays and Saturdays. Through Feb. 15 the collection fee will be 1 per cent, from Feb. 18 through the 28 it will be 4 per cent. Dog tags will remain \$1.00 and \$2.00 through the 28. The tax roll will be at the Court House in Escanaba and dog license will be double after Feb. 28.

Mrs. Lillian Roberts of Rock and her sister Mrs. Edward Antilla of Negaunee returned recently by plane from West Palm Beach, Fla. They drove Mr. and Mrs. Victor Ahonen of Marquette there where they will spend the winter with Mr. and Mrs. Reino Laine. Laine is employed there during the winter months.

THE PHILADELPHIA Zoo's tame groundhog got its signals mixed yesterday—a day ahead of the annual groundhog day—and came out of its hole to check on weather conditions. It got its reward, a carrot from Ann Menichini, hostess at the Children's Zoo section. According to the old superstition, if the groundhog leaves its lair today, sees its shadow, he'll somper back and there will be six weeks more of winter. (AP Wirephoto)

# Groundhog Club Reports Winter Still Unbroken

By The Associated Press

Pennsylvania's furry forecasters, the groundhogs, reportedly saw their shadows at sunup today and retreated to their burrows for another six weeks of winter — to absolutely no one's surprise.

According to tradition, the groundhog comes out of his burrow Feb. 2 and looks around. If he sees his shadow, he goes underground for another six weeks and winter hangs on that long.

Since winter will last officially until March 21 anyway, today's report was no surprise.

Members of Slumbering Groundhog Lodge in Quakertown, Pa., in south-central Pennsylvania, said they saw their groundhog at 7:14 a.m. Members of the lodge donned their traditional long white night shirts, top hats and stalked through the woods waving canes, wands and shepherd's crooks before finding their quarry.

In western Pennsylvania, members of the Punxsutawney Groundhog Club said their favorite — Punxsutawney Phil —

appeared at 7:29 a.m. and quickly retreated into his lodge on Gobbler's Knob.

Each group claims its groundhog is the original weather forecaster and the other is an upstart. It doesn't seem to matter, however, since their forecasts are always the same.

## Course

The University of Michigan Extension Service will present a certificate course in real estate management beginning Monday, Feb. 6 from 7 to 10 p.m. at Bay de Noc Community College. Earl H. Closser, a Marquette realtor, will be instructor.

## Honor

ALMA — Michael Olson, son of Mr. and Mrs. Leonard Olson of 627 S. 17th St., Escanaba, has been named to the Dean's List for the first term at Alma College. Olson, a graduate of Escanaba Area High School and a sophomore at Alma, had a 3.66 average.

# Escanaba High Lists 189 For Semester Honors

The first semester honor roll for Escanaba Area Public High School was announced today by Principal Robert Micensky.

The High School has a total enrollment of 1,313 with 275 Seniors, 321 Juniors, 377 Sophomores and 340 Freshmen. Eighteen students attained all "A" and 171 the scholastic rating of "B" or better.

**ALL "A"s**

Seniors — Karen M. Anderson, Ann D. Beck.

Juniors — Mary Bisdee, Helena Crandall, Cheryl Els, Kristin Gauthier, Gail Irving, Jean Killmar, John Vader, John Walbridge.

Sophomores — Laurie Ballargeon, Shireen Hynes, Janice Larson, Christine A. Olson, Jeanene Schmeling.

Freshmen — James Berry, Ann Diederich, Margaret Mosenfelder.

**"B" OR BETTER**

Seniors — Dianna Anderson, Karen A. Anderson, Marsha Anderson, Jon Arvey, Donna Baribeau, Sally Barrett, Kristin Barron, Kathleen Bohan, Jean Cox, Mary Jo Dahl, Janet Denison.

Gerald Destrampe, James Flath, Lois Fry, Carl Glasure, Judy Henslee, Lionel Herlioux, Kathryn Johnson, Linda Johnson, Barbara Karas, James Klinefelter, Pam Klug.

Cheryl LaBrie, Sandra Lambert, Kathy Lancour, Sandra Lantagne, Bernard Larson, Sharon Lindstrom, Jane McDonnell, Donald Nyquist, Cynthia Ottensmeyer, Carol Paulson, Linda Sarasin, William Shiner, Joy Stenberg, Joe Strahan, Kathy Sundquist, Robert Swanson, Robert Swenson, Lynn Thompson, Carole Thorbjornsen, Cheryl Wellman, Jane Wertz, Judy Young.

Juniors — Richard Andrews, Tom Anzalone, Christine Bichler, Sharon Bittner, George Bonefeld, Jerry Cole, Gayle Cook, Terry Decker, Ann DeGrand, Charis Eastin, Linda Eastman, Michael Frasher, Yvonne Gayeff, Lola Gerdeen, Richard Germain, Kathy Hawes, Mike Houle, John Kallio, Mary Knoll, Lois Koslitzke, Darlene LaBelle, Michael Levesque, John Lustick, Cheryl Mackie, Nancy Mitchell, Robert Mosenfelder, Clarence Mroczkowski, Ruth Nelson, Mark Neumeier.

Diane Olsen, Debbie Peterson, Susan Plogman, Sally Potvin, Carol Rogers, Diane Shomin, Donna Stiglitz, Betty Stoneclift, Amy Tonn, Peggy Townsend, Sara Trotter, Louise Ward, Diane Williamson, Nina Wolfe.

Sophomores — Barbara Allingham, Kent Anderson, Thomas Anderson, William Baum, Mike J. Beck, Sue Berg, Jane Bohan, Jane Carlson, Rosemary Chenier, Pam Chouinard, Gerald Collegnon, Paula Couchene, Sandra Dahl, Richard Eagleson, Richard Freeman.

Marcia Griffith, Jan Helms, Jay Johnson, Stephen Jurmu, Randy Kell, Victoria Koenig, James LaFleur, Melinda Larson, Barbara McKie, Patricia Nelson, John O'Donnell, Freda Peterson, Sheila Peterson, Diane Rose, Priscilla Rosemurgy, Mathew Satten, Mary Savard, Ann Schmidt, Bonnie Sheffer, Sandra Smith, Susan Taylor, Virginia Vader, Leta Valind, Laurel Welland, Arlene Wellman, Dawn Wellman, Jack Winters.

Freshmen — Lynn Barnhardt, Mike Beck, Nancy A. Beck, Nancy E. Beck, Mary Bernier, Jody Bisdee, James Bolm, Neil Botwright, Stephen Breault, Susan Carlson, Constance Ellison, Dale Ford, Janet Gucky, Ann Helmer, JoAnne Herlioux, Sharon Hilton.

Linda Hivals, Pam Johnson, Fred Jurmu, Katherine Kallman, Paul Kintziger, Lori Koster, Carol Kralovetz, Robert Miketinas, Dave Moran, John Nyquist, Roger Pare, Janice Peplin, Lynn Petaja, Dan Possi, John Pratt, William Premo, Dorothy Schaut, Paula Stacy, June Suriano, Robert Thompson, Bruce Turner, Stephen Williams, Pat Winchester, Ted Witt, Irma Woodard.

**Fete For George**

LAREDO, Tex. (AP) — The Feb. 16-19 George Washington birthday celebration in Laredo will have its usual list of dignitaries, including President Gustavo Diaz Ordaz of Mexico and Gov. John B. Connally of Texas.

## Recreation Revolution

Is it typical of the Upper Peninsula that professional planners have looked at our huge peninsula and decided that it has the makings of a spectacular tourism area and that we're a little dismayed by the suggestion?

Certainly there has been no rushing in to implement a master plan that came out of the most expensive book ever published in the Upper Peninsula. The book, of 92 pages, reports a two-year study that cost \$112,000.

It was sponsored by the Upper Peninsula Committee For Area Progress' subcommittee on tourism, and it was financed by the Economic Development Administration of the U.S. Department of Commerce, Michigan State University, the Upper Michigan Tourist Association and other agencies.

The study report spells out in a professional way unmatched by any earlier efforts in this field what the Upper Peninsula might do to create a big, profitable tourist business. And as the fanfare of bugles dies after the announcement of the Upper Peninsula's first great master plan for development of a big recreation industry, it is apparent that the U.P. is not well organized to implement this or any such plan of development.

It should not and it must not go up on the shelf with all the other studies and plans that have been made for the Upper Peninsula, but if this is not to happen there will have to be a huge Upper Peninsula effort of education, marshalling of support, coordination of efforts, financing, and construction.

The Upper Peninsula has been moving toward realization that it really is sitting on a recreational goldmine and that it simply can't be mined by the construction of a few motels, but it hasn't been able yet to organize an effective peninsula-wide development agency. The nearest it has come is UPCA, which has done impressively in providing technical assistance to government projects and some private efforts, but which has only very modest financial resources of its own and small prospect of enlarging them.

Certainly UPCA has a role in the implementation of the master recreational development plan. After all, it commissioned the plan in the first place, but its directors and delegates would probably be the first to suggest that, while it can help substantially, the project is so large in scope that it calls for the involvement of many agencies, private and public.

Certainly the Upper Michigan Tourist Association is one of them. It is a co-sponsor of the study and it is currently building its strength and its president, Jack English, operator of Indianhead Mountain ski resort near Wakefield, has been developing a "Project Bootstrap" program which is somewhat parallel to the Michigan State University panorama of recreation.

Where MSU's plan calls for 9 recreational cores in the U.P. with a huge central area of wilderness recreational character, the English "Bootstrap" calls for 6 or more big recreation complexes across the U.P. Both plans have the same basic concept that the U.P., which has had a declining tourist business while it is booming in the rest of the nation and abroad, can reverse the trend by providing many things in the U.P. for tourists to see and do.

Hence the proposed complexes with core attractions like restored fish towns and fur trading centers, a Locks Park at the Sault, iron and copper mining complexes and other attractions which use the area's history and unique industries as their themes.

The lack of an organized follow-up procedure to put this long, expensive study to work for the State of Michigan and the nation in the development of the Upper Peninsula is a comment on the basic planning. If there is to be no implementation, the study was pretty much a spinning of the gears with no forward motion.

The report suggests that "the most effective implementation of this regional development program can be carried out by a regional tourism industry development committee... It should be a quality body... representative of the more important decision-makers and subregions... And the core of development... consists of local action on a subregional basis."

We've got the football, fella, but where's the quarterback?

Fortunately, MSU plans follow-up action and both UMTA and UPCA are sidelining, but we'd like to hear the starting whistle.

## Imports Bug Percy

By WASHINGTON STAFF

WASHINGTON (NEA) — Arkansas' Republican Gov. Winthrop Rockefeller, attending the GOP National Committee meeting in New Orleans, remarked that in the early days of his campaign last fall he was encouraged by the size of the crowds turning out to see him.

At a crowded meeting hall where he was scheduled for a brief appearance, Rockefeller proudly pointed out the size of the throng to an old political hand. He was promptly told:

"Winthrop, you have to remember that a lot of people here have never met a millionaire and have never shaken hands with a Rockefeller. So, don't get carried away."

"But," explained Rockefeller in New Orleans, "they came and they stayed... True, I did not shake hands with them until the end of the meeting."

Mentioning Winthrop Rockefeller's name to Sen. Howard Baker, R-Tenn., also attending the New Orleans meeting, produced another anecdote.

An Arkansas Republican politician dropped in at Baker's campaign headquarters last fall to compare notes. He was told that the GOP was having money problems in Tennessee.

"Gentlemen, if you think it's hard to raise money," he roared, "you ought to be a Rockefeller and try to raise money!"

Charles Percy, the new Republican senator from Illinois, is often mentioned as the possible GOP presidential nominee in 1988.

There are more than 3,000 kinds of native flowers in the state of Washington.

## "You Fellows Have the Wrong View of Vietnam!"

## Income Tax Foes Are In Three Groups

By RICHARD L. MILLIMAN

For Panax Newspapers

LANSING — Opposition to tax reform in the Michigan Legislature this year will generally follow three avenues:

1. First is the type based on opposition to state income tax of any sort for any reason.

2. Second is the type that says an income tax is all right as long as it's a graduated income tax and not a flat rate income tax.

3. And third is the type that claims we ought to cut state spending until no new tax revenue is needed.

Proponents of the first type — that which opposes state income tax of any kind for any reason — will be few. Most opponents will hide behind one or the other of the next two reasons.

Very few officeholders will want to claim right out loud that they will vote "no" because they oppose an income tax as an income tax. That would be blind opposition to real problems, and is not a popular stance to take.

However, much opposition will gather behind the other two types, with Democrats generally rallying behind opposition because of the flat rate aspect of any income tax and Republicans generally waving the "cut spending" banner.

Gas Scholle, head of the Michigan AFL-CIO state organization, already has begun the public argument against anything but a graduated income tax.

Of course, the Michigan Constitution prohibits a graduated income tax, which means that Scholle is opposed to a state income tax until the Constitution is changed, which in turn means that Scholle opposes tax reform for this year.

Scholle believes that any state income tax should be like the federal income tax — the more you earn, the higher the rate of your tax. But the Michigan Constitution prohibits such an increase in rates.

To change the Constitution would take a vote of the people, and a good guess is that the people would reject a graduated income tax as they did when they adopted the Constitution in 1963.

So, the no-flat-rate opponents to 1987 tax reform can rally behind Mr. Scholle.

Other serious opposition will come from those who say that instead of more taxes, we should just cut spending.

Gov. Romney has recognized this feeling, and has appointed a task force of prominent citizens to dig into state spending and root out any costs that aren't essential.

But the size of Michigan's money problem rules out enough spending reduction to render tax reform unnecessary.

For example, the state needs \$137 million in new revenue to continue state services during 1987-88 at the same level as presently.

To cut \$137 million from the state budget is difficult enough to fall into the impossible category.

If Michigan withdrew all its state support from our mental health program — closed all the mental hospitals and, fired out community programs, fired psychiatrists and attendant nurses — the net savings to the state's general fund would just about balance the budget without new taxes.

If Michigan withdrew all its state support from the fields of corrections, public health, state police and conservation — which would mean closing prisons, club with dummy's jack of

closing state police posts, canceling road patrols and health inspections and services, firing troopers and guards and doctors and game wardens — the savings to the state's general fund would be about \$30 million short of balancing next year's budget without new taxes.

How does a state budget get to such proportions? Need and pressure are the twin answers, compounded by politics. A million here and a million there add up in a hurry.

For example, the State Civil Service Commission is currently wrestling with a million dollar problem, which would be considered fiscally minor by most people.

The question is days off for 40,000 state employees who come under civil service.

Presently civil service employees receive seven paid holidays per year — New Year's, Memorial Day, Independence Day, Labor Day, Veterans' Day, Thanksgiving and Christmas.

In addition, employees can receive two hours off on primary and election days to vote, and two hours off on Good Friday afternoon.

The proposal has been made to do away with election day and Good Friday time off and substitute two "personal holidays" each year. The employees could use these "personal holidays" for voting, for Good Friday, for funeral leaves, and for other religious observances.

The point has been made justifiably that the present state

holiday schedule recognizes on-ly Christian holidays and is unfair to non-Christians. The "personal holidays" provision would correct this imbalance.

But the rub comes in the cost. The state payroll of classified employees amounts to about \$1 million per day. To grant two extra days off for each employee would cost up to \$2 million.

The \$2 million added cost would never show up in one lump sum if the two "personal holidays" are granted. Over-time and other payroll totals instead would be higher wherever civil service employees work.

But to turn down the "personal holidays" idea might well arouse Jewish people and civil rightsists, who might feel that non-Christians are not being treated on a par with Christians.

One proposal was offered to take away the state holiday for Veterans' Day and substitute one "personal holiday," which veterans could use to observe Veterans Day or Jews could use to observe one of their holy days. Courts would not increase.

But this alternative, although saving taxpayers' money, might well arouse organized veterans.

The Civil Service Commission has chosen to sit on the idea for a few weeks.

The case of "personal holidays" is an example of how the state budget inches upwards almost imperceptibly.

A million here and a million there soon add up.

## People, Events Of Yesteryears

From the Files of the Escanaba Daily Press

25 YEARS AGO

Twelve Escanaba high school seniors, five juniors and five sophomores completed the first school semester with all A grades, according to the semester honor roll. Seniors also placed the highest number of any of the three grades on the honor list.

Dan Weisner submitted a drawing of plans for a proposed Elks memorial tablet, and won the first prize of \$5. Willie Gutreuter was named second place winner and Helen Johnson won third place.

50 YEARS AGO

Every day in the month of January averaged three degrees colder than the normal for that month in the district. The lowest temperature of the month was 18 degrees below zero and the highest was 38 degrees. A total of 19.1 inches of snow fell, which made up a precipitation record of .99 of an inch.

Prosecuting Attorney T. E. Strom recommended to members of Escanaba city council the adoption of an ordinance prohibiting the sale of revolvers, pistols and police "bills" to any individual excepting those who have permission to carry firearms.

## BARBS

By WALTER C. PARKES

It's a crazy world, where so many scoundrels are such charming company.

A drunk saw a little green man from Mars and thought he was an actor from a maladjusted color television set.

People who live in glass houses shouldn't.

Making others happy is the best occupational therapy.

Questions And Answers

Q—What exactly is the strike zone in baseball?

A—Major league rule defines the strike zone as "that space over home plate which is between the top of the batter's shoulders and his knees when he assumes his natural stance."

Q—Where and when did the present system of using four suits in playing cards originate?

A—In France during the 16th century.

## Ann Landers

## Ann's Mean, Wants Randolph In School

Ann Landers: I am not calling you dear. You are a mean old woman with a heart of stone.

I just read the letter from the 13-year-old girl who wanted to be in love and you told her that a 13-year-old could no more be in love than an oak tree could reach its full growth in three weeks. I am writing to tell you that you are wrong.

I am 13 years old and I have been in love three times. The first time was when I was 12. It happened when he pushed me off my bike. Our love didn't last very long because his mother called up my mother to put a stop to it.

My second love took place last March. He was my English teacher. And please don't say it wasn't love because it was. I couldn't eat or sleep for days and I got so mixed up in his class I nearly flunked. Our love ended when school closed for summer vacation.

Now I am in love with the coolest guy in town. He delivers our newspaper. On collection day he says hello to me and he has the longest eyelashes and the nicest smile I have ever seen. I know this is love because I find myself daydreaming about him even at night.

So please admit you were wrong about 13-year-olds not being old enough for love. Here is proof. — THIS TIME IT'S REAL

Dear This Time: Every week I receive hundreds of letters from kids like you who are in a big fat hurry to rush through life — waiting for absolutely nothing. They call every 3-day crush "love," and in the name of "love" they do dumb things which they later regret.

Cool it, Chickadee. You're about five years ahead of yourself.

Dear Ann Landers: We have three children. The oldest boy, Randolph, hates school and wants to quit. I have told him he must go to school but he says he can learn enough to get by if he stays home and watches TV several hours a day. The boy was truant twice last week and I wonder if formal schooling is worth the struggle to get him to go. Randolph is six years old.

Randolph's teacher came to see us yesterday and my husband got into a big argument with her. Now he is on Randolph's side. He says he doesn't blame the boy for hating school. My husband didn't have much education and he is holding down a good job and making good money. He uses himself as proof that education is not important these days. He says if Randolph doesn't want to go to school we shouldn't force him because he won't learn anything. We'd like your views. — A MOTHER

Dear Mother: So Randolph, age six, wants to be a drop out and your husband says it's o.k. with him. What if Randolph wants to get married when he is twelve? Will your idiotic husband say o.k. to that, too?

Parents have an obligation (legal as well as moral) to see that their children get an education. Allowing a six-year-old to stay home from school and look at TV is unthinkable. I urge you to seek professional help and learn why Randolph is unmotivated and rebellious and what to do about it. If you don't help this child to find his way now he will be hopelessly lost later.

Confidential To: Wish It Hadn't Happened: Well, it DID happen so learn from your mistake and don't repeat it. Remember that the mark of a lady is the ability to disagree without being disagreeable.

Confidential To: Is He Man or Mouse?: Don't put any cheese where he can get at it.

"The Bride's Guide," Ann Landers' booklet, answers some of the most frequently asked questions about weddings. To receive your copy of this comprehensive guide, write to Ann Landers, in care of this newspaper, enclosing a long, self-addressed, stamped envelope and 35c in coin.

Ann Landers will be glad to help you with your problems. Send them to her in care of this newspaper, enclosing a stamped, self-addressed envelope.

# Permit Sale Boom Is Park Need Indicator

LANSING (AP)—License sales serve as the most reliable barometer on trends in hunting, fishing and other outdoor activities in Michigan.

The comparison of 1966 and 1965 Conservation Department license revenues shows fishing up in popularity and hunting down.

The issuance of park permits has continued to soar—giving solid evidence to the need for the department's ambitious park expansion program.

Annual park permits rose to \$15,882 last year, up 8.7 per cent from the 290,471 sold in 1965. Daily park permits showed a 12.7 per cent jump, from 497,708 in 1965 to 548,837 last year.

Park permit revenues totaled \$906,182 last year. Michigan's first \$1 million park permit sale can be expected either this year or next.

**Deer Licenses Off**  
The sales of resident deer hunting licenses showed a more than 20 per cent drop, from \$20,009 in 1965 to \$12,848 in 1966.

As for all the 1966 figures, complete returns are not yet in and the final total will go higher.

Arden McNeil, of the department's license division, said the drop in deer hunter numbers could be attributed mostly to a cutback in the antlerless deer season.

The areas where does and fawns were legal game were reduced when some hunters objected that too many antlerless deer were being shot.

**Fishing 3 Per Cent Up**  
The sales of bear licenses dropped from 3,823 to 3,498. A ban on shooting of bear in the northern Lower Peninsula, where they are becoming increasingly scarce, was mostly

blamed for the drop. Resident fishing licenses showed a modest 3 per cent increase, from 686,418 in 1965 to 719,210 last year.

The increase was helped because elder citizens were allowed free fishing licenses for the first time last year. There were 64,552 oldsters registering for the free licenses.

"Fishing license sales had been on a steady downward trend during the past 10 years," McNeil commented. "We think this is a reversal of the trend and the start of a swing upward."

The introduction of new exotic fish, coho salmon and others, also is thought to have sparked

new interest among fishermen. Trout stamp sales also showed a good gain, from 186,689 to 192,960. Steelhead trout runs have been improving each year, thus providing added excitement for the fishermen.

## Apostle Islands Plan Is Revived

WASHINGTON (AP)—Legislation to create an Apostle Islands national lakeshore in northern Wisconsin was proposed again by Sen. Gaylord Nelson, D-Wis.

"Our splendid Apostle Islands proposal, after years of work and waiting, now stands in the top four priority projects which are urgently needed to protect our bank of natural resources and to provide recreation for our growing population," Nelson said in a statement.

"This carefully developed Apostle Islands plan has now been endorsed by a blue ribbon task force and by the President himself. It now represents an urgent necessity not just for Wisconsin but for the nation."

Nelson has been trying for years to establish a national park or national recreation area in the Apostle Islands region, in Ashland and Bayfield counties.

In September 1965 Nelson introduced an Apostle Islands national lakeshore bill, to establish a 57,500-acre national recreation area.

The bill, identical to the one introduced Tuesday, would include 30 miles of Lake Superior shoreline, 21 islands, and a 10,000-acre wild rice marsh noted as a hunting and fishing area.

No action was taken on the earlier bill, but a spokesman for the senator said Tuesday the prospects are good for a Budget Bureau go-ahead this time.

## System Speeds Defense Data

SAN PEDRO, Calif. (AP)—The Detroit-Cleveland area is one of nine spots across the country to receive a new electronic system to coordinate surface to air missile firings.

The U.S. Army Air Defense Command listed sites for the high speed system which is designed to give air defense commanders more data than previous systems.

Other sites where the new system has been installed include San Pedro, the Chicago-Milwaukee and New England, New York-Philadelphia, Miami, Pittsburgh, San Francisco and Washington-Baltimore.

## Curtis

Mrs. Garfield Stanger is a patient at the Schoolcraft Memorial Hospital at Manistique.

Despite the bad weather Tuesday evening, about 50 persons attended the Community Pot Luck Dinner held at the township hall, Rev. M. Lowery showed slides taken on his trip to South America.

The Curtis Quilters met Friday at the home of Mrs. Jennie Hartwick.

Mrs. Rhoda Smith returned to her home Friday from the Schoolcraft Memorial Hospital at Manistique where she was a surgical patient.

Mrs. Essie Kiebeth left for Sacramento, Calif., where she will visit her daughter and family.

**Venomous Frog**  
There is no known antidote for the venom of the bobo frog of South America. Colombian Indians hunt this frog to get poison for blowgun darts.

## Heads Research

MIDLAND (AP)—The appointment of Dr. Floyd Peterson as administrator of the research program to be developed at Saginaw Valley College was announced here by Dr. Samuel D. Marble, president of the college.

Dr. Peterson, a researcher at Dow Chemical Co. and a former professor at Syracuse University, will assume his duties March 1.

## New Lutheran Church Okayed

The Board of Appeals of the City of Escanaba in meeting at the City Hall on Tuesday approved the proposal of Christ the King Lutheran Church to erect a new building at 13th Ave. N. and 18th St.

The application was to remove the present church building and construct a new edifice on the same site.

Approval was given the application after a hearing held at 4 p. m. in the City Hall, with Appeal Board Chairman H. Chris Nicholson presiding.

The Appeal Board in granting permission stipulated that the church building must not exceed one story in height and conform to the set-backs, side yard and rear yard provisions.

The Board of Appeals is composed of Chairman Nicholson, members L. J. Jacobs and Harvey Pierson and two new members, Mrs. Lois Thompson and William Morreau.

## Oxford Hasn't Decided About Munising Plant

MUNISING — The City of Munising has received a letter of reply from William H. Chisholm, president of the Oxford Paper Co., on the action taken by the city commission reaffirming the city's full cooperation with Oxford Paper and its representatives in every way possible on paper mill planning and development here.

The letter from Chisholm stated:

"The action which the Munising city commission took, and which was related to me in your letter, is certainly both comforting and encouraging. The Resolution is further evidence of the abundant cooperation that has been expressed by your community since the moment that I had the pleasure to meet with your community leaders in Munising last June.

"We at Oxford have been studying this project continuously for the past several months but are not yet ready to make a final decision. During these months of intensive study and research we have been confronted with several problems, but one problem that we have not had to be concerned with is the warm, cordial atmosphere of hospitality that has prevailed in your community. The thoughtful resolution is another manifestation of the favorable attitude that prevails."

Sincerely yours  
William H. Chisholm

## No Time Tinkering

CORUNNA (AP)—Shiawassee Republicans favor tax reform and refinancing of Mackinac Bridge bonds, but they oppose Daylight Saving Time for Michigan.

# Senior Citizens Center Debut Planned April 1

MANISTIQUE — Details of plans for a new Senior Citizens Service Center for Schoolcraft County were announced today by Raymond LaPorte, director of the Delta-Menominee-Schoolcraft Community Action Agency.

The center will be located in the Putnam Building across from Manistique High School and is scheduled to begin operations April 1 under federal Older Americans act funding. Funds are administered by the Michigan Commission on aging.

LaPorte said a one-year grant of \$11,913 to be supplemented by \$4,881 "in kind" local contributions has been approved.

Purpose of the center will be to serve senior citizens of Schoolcraft County with Community service, assistance, educational and cultural programs, some of which are already in the developmental stage. LaPorte said a full-time director will be hired.

He emphasized, however, that although local administration for funding of the program is the responsibility of the Community Action Agency, control of programs and the center will be placed in the hands of an executive committee elected by senior citizens of Schoolcraft County. Details were explained recently at a meeting of the Senior Citizens Club and representatives of other organizations at Manistique High School.

To Elect Officers  
Temporary officers elected were Mrs. Earl LaBrasseur, president; Mrs. Helen Murwin,

vice president, and Mrs. Lyle Bouchard, secretary-treasurer. The acting officers will appoint a nominating committee for the executive committee. The executive committee will have nine members and have the sole responsibility of conducting the business affairs of the center.

Election of permanent officers

## CAA Changes Main Office

Delta - Menominee-Schoolcraft Community Action Agency offices have been moved from the Delta County Building in Escanaba to 785 Ludington St.

Ray LaPorte, director, said the office in the Delta County Building will be maintained as the area center for Delta County and staffed by Mrs. Barbara Turquist. New central office telephone number is 786-7000. The area center number in the county building is 786-3511.

## CAA Changes Main Office

Adoption of bylaws is set for 7:30 p.m. Feb. 14 in the K.C. Hall, which is also the regular meeting of the Senior Citizens Club of Manistique. LaPorte said the possible programs to be developed for senior citizens of the area (55 years of age and over) will include registration of senior citizens for part-time work as desired and needed in the area, development of a "shopping service" for retirees unable to get out themselves to shop and a telephone service to check on

well being of elderly persons living alone.

Benefits Over 1,000  
He also said the center hopes to provide a "place for senior citizens to make new friends" and engage in social activities such as television, cards, games and sewing.

LaPorte said there are over 1,000 persons 65 years of age and over in Schoolcraft County the center could benefit.

Use of the Putnam Building for the program was approved by the Manistique Board of Education, to which the building was bequeathed. An appeal has been issued for donations of household and office furniture to equip the center. These items, as well as rent-free use of the building, etc., will go toward making up the "in kind" contribution of \$4,881 required from local sources to support the program.

In addition to serving as a Senior Citizens Center, the Putnam Building will be used to headquarter the Schoolcraft area representative for the Community Action Program.

## Winter Severe For Deer Herd

Although winter temporarily loosened its bitter-cold grip this week, early storm warnings remain out for yarding deer in northern Michigan, particularly in the Upper Peninsula, the Conservation Department reports.

The mild break in the weather earlier this week caused some settling of snow in the upper region toward the end of the Jan. 16-22 period. However, this temporary turn for the better offered no real relief for whitetails which are yarded throughout the Upper Peninsula and restricted to heavy cover in nearly all areas.

Latest Department field reports indicate that conditions above the Straits are reminiscent of the very hard winter of 1962 which took a heavy toll of deer. In all areas of the Upper Peninsula, the winter picture for deer is described as "severe" for this stage of the season.

Keeping the animals socked in these sheltered wintering places are snow depths which range from a high of 2.7 feet at Toivola and Chatham to a low of about 1.3 feet in the areas of Watermeet, Ensign, and Manistique.

In the northern Lower Peninsula, conditions are generally better, but in some areas they are bad enough at this point in the wintering deer season to cause game men some early concern.

If winter follows its usual timetable, the state's northern deer herd has about 80-85 more days to go in its annual struggle for cold-weather survival.

This bottleneck period could be stretched out another three weeks beyond that if worse comes to worse. In view of how things already stack up for deer, Department game men are naturally hoping against that possibility.

## Ensign 4-H Club Members Tour Deer Range

RAPID RIVER — Ensign 4-H Club basic conservation and forestry members have a better idea of winter's problems for deer after a tour of winter range area conducted by Conservation officers Charles Bowen and Thomas Stafford.

Purpose of the tour was to study the relationship of animals to their environment, particularly deer. The group first was taken to an area of summer range off Highway 13 in Nahma Township and told why deer leave the area for winter range. A well-used deer runway was pointed out.

Continuing to the winter range area, the officers pointed out the range's food supply and protection from winds. In the range area, Bill Vietzke of Rapid River is cutting so there was plenty of deer browse. The officers pointed out that each deer needs five to eight pounds of browse each day.

Making the tour and joining in a hot dog lunch were Greg Norlander, Bob Gibbons, Jeff Kuchan, Don Dominick, James Lundberg, Dan Safford, Kevin Hansen, Clint Safford, Mr. and Mrs. Frank J. Lundberg and Mrs. Thomas Safford.

## Youths On Farms

MIAMI, Fla. (AP) — The head of the Cuban Workers Confederation says that more than 65,000 Cuban youths are now working on the farms.

## Ironwood Go-Inc., Closing Offices

IRONWOOD — A corporation for manufacture of plywood from small diameter aspen and other northern hardwoods still in process of organization and the prospects that it will materialize are good, directors of Go-Inc. were told by John Stranahan, executive director of Go-Inc.

The proposed plant will use machinery and processes which have been developed in Finland and have proved highly successful there, said Stranahan.

Formation of the corporation has not been completed, but some of the financing has been committed and prospects are good that the rest will be forthcoming, he said.

Two meetings involving the project were held recently in Chicago and an engineer who will be involved in operation of the proposed plant visited the proposed site recently, said Stranahan.

Faced with approaching depletion of Go-Inc.'s funds, the directors voted unanimously to abolish the office of executive director, held by Stranahan since Go-Inc. was founded three years ago, effective Jan. 31, and at the same time decided to continue the organization as long as the funds remaining in the treasury permit. As of Dec. 31, approximately \$8,000 remained in the treasury.

It was decided by the board that Go-Inc. will maintain its present mailing address and provide a telephone answering service. Members of the executive committee of the board will meet periodically to transact any business that may come up and contact any industrial prospects that may develop.

The proposed plywood corporation would involve more than \$2 million for plant equipment and a total investment of about \$4 million, if it materializes, it has been reported.

Among the principals reported involved in the plans is John Allum of Allum Bros. of Eugene, Oregon, said to be successful operators of plants using forest products in the Pacific northwest.

It has been reported that if plans materialize, plant construction would begin in the spring.

## Former Resident, Mrs. R. Nelson Dies In Elgin

Mrs. Richard (Lillian) Nelson, 51, of Elgin, Ill., formerly of Rock and Gros died at her home on Jan. 31. She was born Aug. 16, 1914 to Rock and was married to Richard Nelson on Nov. 13, 1938 in Bark River. She was a member of the Evangelical Covenant Church of Elgin.

Surviving are, her husband, Richard; two sons, Richard Jr. of Butte, Mont. and Robert of Salem, N. H. and one granddaughter; one sister, Mrs. Albert Branstrom of Gladstone, Wis. and four brothers, Carl, Albert, Ernest and Clarence Nelson, all of Rock.

Funeral services will be conducted in Elgin Friday at 4 p. m. and the body will be brought to Escanaba for burial on Saturday in Gardens of Rest Cemetery. Graveside services will be conducted at 1:30 p. m. by her son, Rev. Richard Nelson of Butte, Mont.

## Any Action On Time Will Err

A public hearing on a bill to remove Michigan from federal regulations on the uniform time act will be held at 9:30 a.m. CST, on Monday, Feb. 6, at the Dickinson Hotel in Iron Mountain, says Senator Thomas Schweigert (R-Petoskey).

## Teachers Back Consolidation

The Powers-Spalding Professional Organization supports the proposed reorganization of the Carney-Nadeau Hermansville, and Powers-Spalding school districts into one consolidated district. The support it announced, is based upon the ability of a consolidated district to provide a quality education for all children in the north Menominee County Area.

A consolidated effort between these three districts would provide a broad enough resource for enlarging and enriching the instructional program. Duplication of facilities and programs would also be avoided in a reorganized district cutting instructional and operational costs.

## Motorists Kill More Deer In '66

LANSING (AP) — Motorists are taking an increasingly high toll of deer, reports the State Conservation Department. The department estimates 6,219 deer were killed on Michigan highways last year, up nearly 170 deaths from 1965. It was the seventh consecutive year the road toll of deer deaths has continued upward.

Schweigert said members of the Senate State Affairs Committee would attend the meeting. Congressman Philip Ruppe, of Houghton, will explain the new federal regulation, which will go into effect the last week in April, unless Michigan votes itself out from under the new rule.

"This is an unfortunate regulation for Michigan," said Schweigert. "No matter what action we take, we will get the wrong answer. If we do not pass the bill pending before the Legislature, the Lower Peninsula will be on Eastern Standard Time and the Upper Peninsula will be on Central Standard Time. During the summer, both will be on Daylight Savings Time."

"If we do pass the bill, it will remove Michigan from the new federal regulations only as far as daylight time is concerned. If passed, the bill would leave the Lower Peninsula on Eastern Standard Time and the Upper Peninsula on Central Standard Time."

## Nahma

Captain Harold Hebert, Mrs. Hebert and children of K. I. Sawyer AFB spent Saturday at the home of her parents, Mr. and Mrs. Ed Sheedio.

Mrs. D. J. Sly returned home Tuesday after spending a month at the home of her sons, Wilson Sly of Enderlin, N. D. and LeRoy of Dilworth, Minn. She was accompanied home by LeRoy Sly and her grandson, Gerald.

Mr. and Mrs. Roy Davis of Negaunee spent the weekend at the home of Mrs. Phillip Fortin.

Mrs. William Mercier is a surgical patient at St. Francis Hospital.

St. Anthony's Circle met Tuesday afternoon at the home of Mrs. Frank Sefcik. Cards were played followed by lunch. A prize was awarded to Victor Thibault.

The Holy Name Men's Society of Cooks, Isabella and Nahma will hold their monthly meeting Wednesday evening at Cooks at 8 p.m.

## AMC Quarter Loss \$8 Million

DETROIT (AP) — American Motors Corp. told stockholders that the firm lost over \$8 million in the first quarter of its current fiscal year, but that better days are ahead.

AMC's financial report was released just before the firm's annual stockholder meeting got under way.

The October - November - December figures showed a net loss of \$3,459,917, or 44 cents a share, compared with last year's net profit of \$4,195,995, or 22 cents a share, for the same quarter.

AMC said its worldwide vehicle sales for the three months totaled \$9,596, down from 123,064 cars sold in the first quarter of fiscal 1966.

AMC's financial report came a day after General Motors Corp. reported its sales and earnings last year were the second highest in history, topped only by 1965. Ford's financial statement is due Thursday and Chrysler's next week.

## Pope To Ask Children To Aid World's Hungry

On Ash Wednesday, Feb. 8, Pope Paul VI will address the children of the United States in opening the annual Bishops' Overseas Aid fund campaign.

The Pope will ask "in your goodness and charity ... remember the millions of poor, hungry and sick children of the world."

The Pope said he is "adjoined to see your little brothers and sisters in far-off lands suffering so much."

Describing the deprivation of children in many areas of the world, he said, "It is for these children whom you hardly know that the Holy Father appeals to you, and he knows you will be generous, as in the past... Lent is a time for penance, and so we ask you to deny yourselves something you may, or may not, need. Then you will be able to contribute. This will help your bishops maintain the world-wide program of Catholic Relief services."

"The children, whom you have never seen, and know that you helped them because you loved them. This is the highest form of Christian love." The fund gets most of its substance from the annual Lenten Sunday collection, which this year falls on March 5.

## Retarded Served By First Center

The first activity center for mentally retarded adults to be funded by the Michigan Department of Mental Health has been opened in Roseville. It is the first of six centers which will begin operations in Michigan during the next six months. The new center, which will provide services for 50 persons, is at 29850 Parkway, Roseville.

Purpose of the centers is to relieve parents of 24-hour-per-day responsibility for their retarded dependents and to provide activity and socialization programs for adults who lack the capability of holding a job or participating in other training programs such as those conducted in sheltered workshops.

The center will be operated by Goodwill Industries, Inc., under contract with the Department of Mental Health.

## Isabella

**Bunco Club**  
The 12 Belles Bunco Club was entertained by Mrs. Raymond Nadeau. Prizes were won by Misses James Krutina and William Donnell. Mrs. Henry Turan received the special award.

**Cribbage**  
In playing cribbage, Mary Hebert, Ron Peterson, and Hector Gagnon were tied for first with 21 scores. Lynne Gale, Kent Peterson and Henry Hebert were tied for second with 20. The third place spot had a 3-way tie with 19 points each for Gary Larson, John Swartz and Gene Johnson.

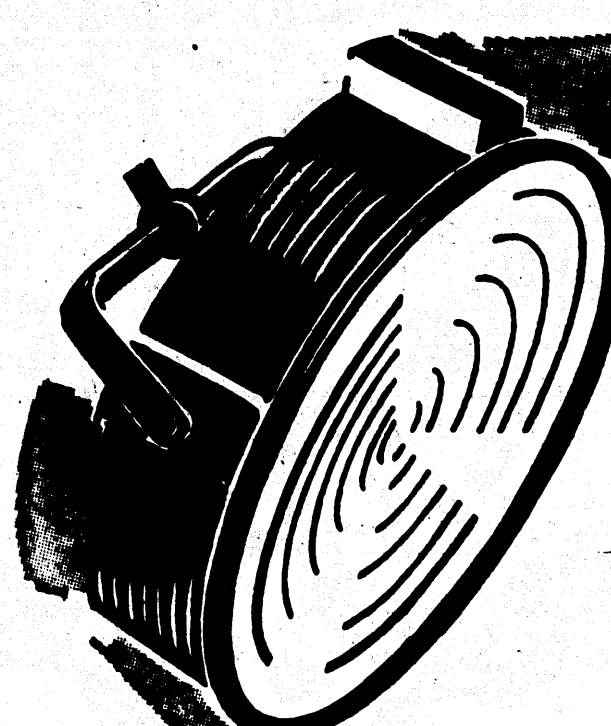

Mr. and Mrs. Harvey Sundin returned home Tuesday from Minneapolis where Mr. Sundin has been released from Fort Snelling Veterans Hospital where he underwent open heart surgery.

Mr. and Mrs. Robert Rangette and children of Madison, Wis., were weekend guests at the home of Mr. and Mrs. Burton Peterson.

Mrs. Ted Sundin was hostess to the Bethany Lutheran Ladies Aid at her home on Thursday evening.

Mrs. William Nadeau, Mrs. Leon Clausen, Mr. and Mrs. Edward Gouin and Mr. and Mrs. William Pilon spent the weekend in Milwaukee at the home of Mr. and Mrs. Dick Nadeau.

## Mrs. A. Wright Guest Speaker At Service Club

TRENARY — The Home and School Service Club met Monday evening, at the Trenchy High School. E. J. Harris, president, introduced Mrs. Audrey Wright, Area Representative of AMCAB (Alger-Marquette Community Action Board), who was guest speaker.

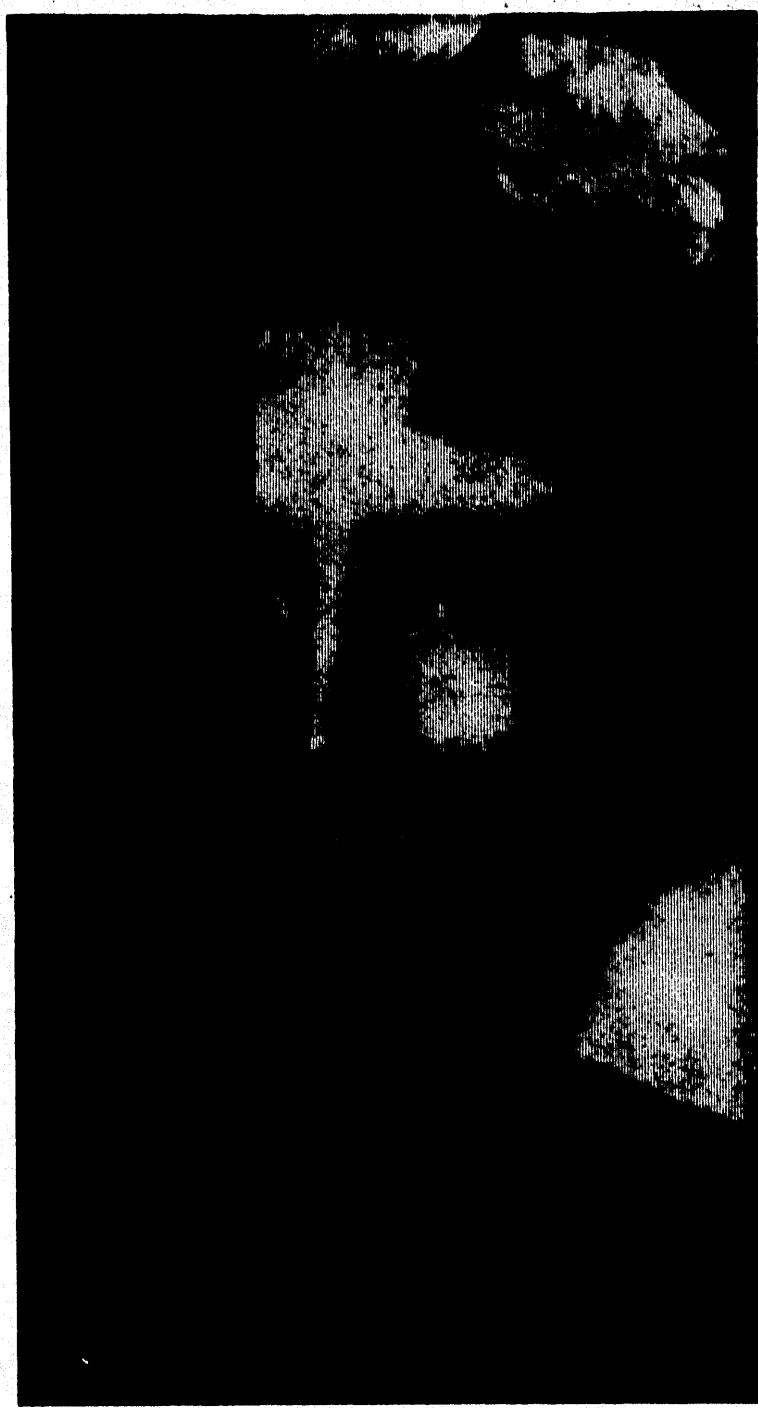

Mrs. Wright explained that her work involves working with persons in low income groups. Her office covers many areas, including Family Living Aid, which includes: demonstrating use of surplus foods, methods of child rearing and problems, home and money management and counseling.

The Homemaker Service, she stated, is available for persons needing someone to come into a home in cases of illness or other emergencies.

Some other programs of AMCAB are: recruiting girls and boys for Job Corp, interviewing for small business loans, providing field training for VISTA workers, working with senior citizens, legal aid service, park development, assistance in veterans affairs, neighborhood youth corp and working in old age homes.

Mrs. Wright said that if anyone wishes help in any of the programs mentioned, they should contact her.

A Valentine card party will be held on Saturday, Feb. 18, with proceeds going for supplementary reading materials in the elementary grades. Mrs. Robert Carlson is chairman. Other committees are: posters, Mrs. George Webber; card tables, Donald Sandstrom; tallies, Mrs. Ellen Hytinen; prizes, Mrs. E. J. Harris; lunch, Mrs. Louis Laurich, assisted by Mrs. William Pylvanen and Mrs. James Vrooman.

## Albert Nelsons Honored On 30th Anniversary

Mr. and Mrs. Albert Elmer Nelson of 1219 1st Ave. N., Escanaba celebrated their 30th wedding anniversary Sunday, Jan. 29 with open house at their home during the afternoon and evening.

A buffet supper was served from a table covered with a white imported linen tablecloth and centered with a floral arrangement. Hostesses for the party were Ruth Krause, Sandra McClellan and Mrs. Thelma Marcotte. Many friends and relatives attended and the Nelsons were presented with many gifts and mementos of the occasion.

Mr. and Mrs. Nelson were married on Jan. 30, 1937 by the Rev. Karl J. Hammar, Pastor Emeritus of the Central Methodist Church. Attending the couple were Mrs. Eva Desmond and Arni Nelson.

The Nelsons are the parents of four daughters, Mrs. Francis Marcotte of Escanaba, Mrs. Edward Krzycki of Milwaukee, Mrs. Kenneth Brandt of Richmond, Calif., Mrs. Arthur Dunn of Miami, Fla. and they also have eight grandchildren.

## New Officers Elected At Jaycettes Meet

Officers were elected at the January meeting of the Escanaba Jaycettes held Tuesday evening at the Dells Supper Club. President is Connie Haddock; Vice-President, Lillian Taylor; Secretary - Treasurer, Yvonne Flath and Board members, Barbara Larche and Gale Ducheny.

Featured speaker was Phil George of Mr. Phil's Salon of Beauty. He displayed and demonstrated the use of wigs and wiglets which he services and sells.

New Jaycette members introduced were Mrs. Howard Smale, Mrs. Albert Paparir and Mrs. John Wimerowski. The next meeting will be held at the Dells on Feb. 28.

MR. AND MRS. STEPHEN Maziarz of Rte. 1, Gladstone announce the engagement of their daughter, Ruth Irene, to Donald Lee Anderson, son of Wesley Anderson Sr. of Rapid River. The wedding will take place May 20 at St. Thomas the Apostle Church in Escanaba.

## Plans Complete For Child's Welfare Ball

Final plans for the Child's Welfare Mardi Gras Charity Ball to be held at The Terrace Saturday evening have been completed. Mrs. Raymond Menard and Mrs. Albin Rajala are co-chairmen of the annual event.

Dancing to "The Versatils" will begin at 9 p.m. and a smorgasbord will be served at

11:30. Tickets may be purchased from the ticket co-chairmen, Mrs. Charles Borden, Mrs. James Walker or may be obtained at the door.

Other committee chairmen include Mrs. John McElhattan and Mrs. Carl Lindee, in charge of the dining room and Mrs. Robert Schram and Mrs. James Johnson, publicity.

Proceeds from the Charity Ball will be used to further the work in child welfare among needy families in the city. Last year over \$3,000 was used to purchase food and clothing and to provide Christmas baskets for families with children. Much of the money has been used to provide milk for children where families are not able to supply the needed amounts.

## Church Events

First Presbyterian  
Friday, Feb. 3, 7 p. m. — Junior High Fellowship Sleigh-ride party. Meet at the church to leave at 7 p. m.

## Powers-Spalding

A business meeting of the Little Flower Circle of St. Francis Xavier parish was held at the home of Mrs. Earl St. John Sr. on Tuesday evening. They discussed plans to have a card party at the parish hall on Sunday evening, March 12 at 8. A free lunch will be served and prizes given to the ones with the highest and lowest scores. A door prize will also be given.

The St. Ann and Holy Name Societies will hold their regular monthly business meetings at the parish hall on Monday evening, Feb. 6. Everyone is urged to attend.

The Spalding Home Extension Study Club met at the home of Mrs. Edsel Poquette. Mrs. Lawrence King was hostess to the group. The lesson, "Meals With Meaning" was explained by Mrs. Nelson LaBonte.

An exhibit of children's clothing will be held at the American Legion Hall on Thursday afternoon, Feb. 16. All young homemakers are welcome to examine 28 garments. The garments are sizes, toddlers through 12 years. Refreshments will be served and hours for the exhibit are from 1:30 to 3:30 P. M.

## Wells

Pre-Lenten Party  
Sunday, Feb. 5 there will be a pre-Lenten party at St. Anthony's Church. The ladies of the parish will furnish the smorgasbord to be served at 7 p.m. The men will furnish the refreshments. A variety of games and cards will follow dinner and a large crowd is anticipated.

The Blessing of throats will be held after each mass on Sunday, Feb. 5 and also Sunday at 2 p.m. for the children. First Friday services will be held Feb. 3 at 8 a.m.

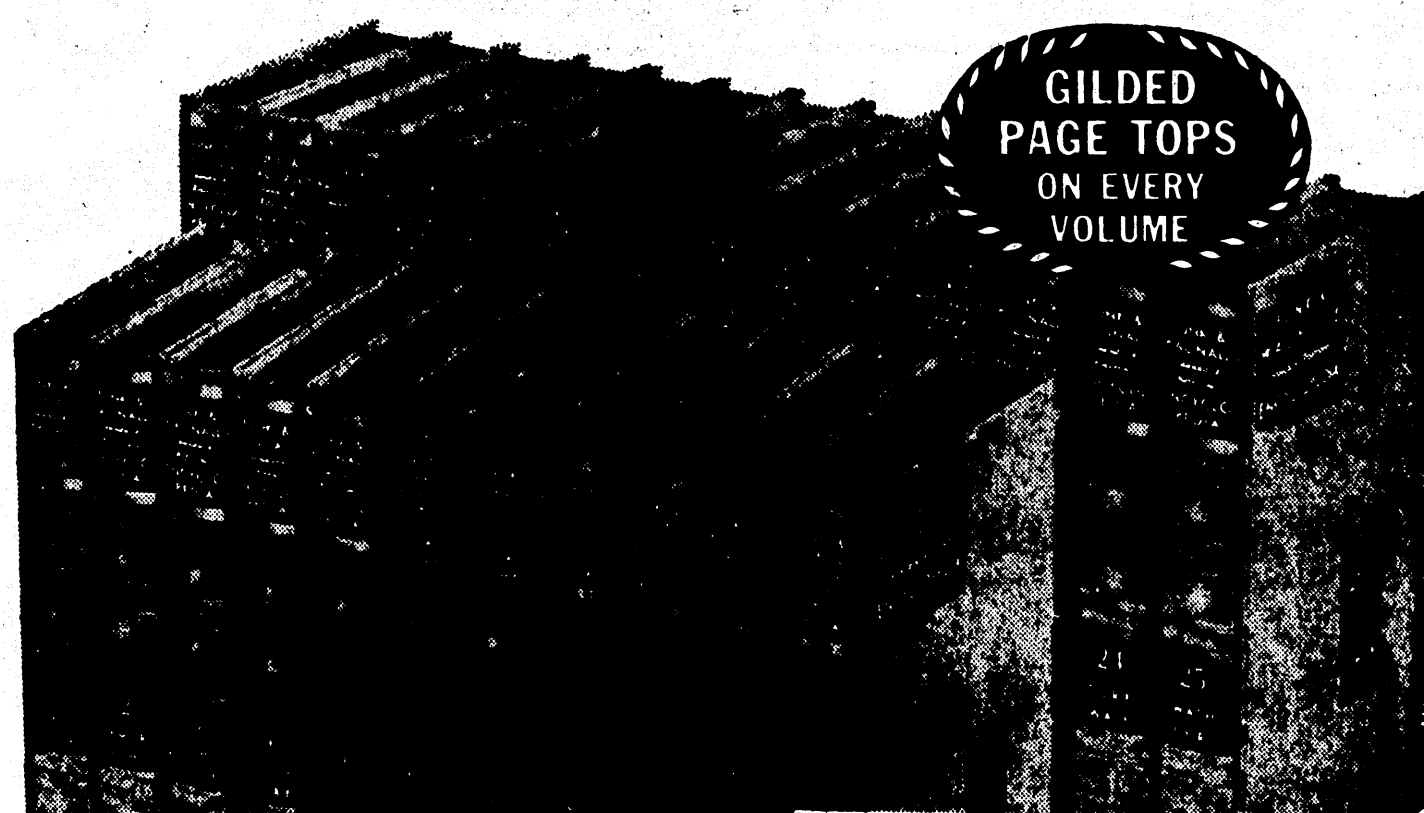

Tom Schmeltzer and his guest Miss Terry Thompson of Alpena, both students at NMU at Marquette visited at the home of his parents, Mr. and Mrs. Richard Schmeltzer on Monday and Tuesday. They attended the Musicians banquet on Monday evening.

Joe Casey is a medical patient at St. Francis Hospital. Mr. and Mrs. Ray Rabideau are visiting Mr. and Mrs. Joe Bussineau and other friends and relatives in the area.

**THERE ARE GRADE "A"**

**AND THERE ARE GRADE "A"**

Not all Grade "A" eggs are alike. To be labeled Grade "A" eggs must meet certain minimum requirements.

There is many an egg that can be called Grade "A" that just never could be a Sunnybrook Egg.

Sunnybrook Eggs...they're our best. They have to be well above the minimum or they won't make the grade with us.

Break one in a pan, notice how proud the yolk sits up. That's the sign of a good egg...a fresh egg... a Sunnybrook Egg.

Try Sunnybrook. And if you ever find just one egg that doesn't measure up, we'll give you a dozen free. 12 for 1...that's pretty good odds.

Are Sunnybrook Eggs a good reason for shopping A&P? They're one of many.

## Patrons' Dinner Inaugural Event

One of the highlights of Saturday's U.P. inaugural festivities in Marquette will be the Republican patrons dinner at 6 p.m. in the University Center of Northern Michigan University.

Governor and Mrs. George Romney, Senator Robert P. Griffin, Congressman and Mrs. Phillip E. Ruppe, Lt. Gov. and Mrs. William Milliken, and State Senator and Mrs. Thomas F. Schweigert will be among the diners.

Over 300 Republicans from across the U.P. are expected to attend the \$50 per plate fund raising dinner. Tickets for the event are available from county Republican chairmen and finance chairmen in all U.P. counties, according to

Ralph Huhtala, 11th District GOP chairman and General Chairman of the patron's dinner.

Mrs. Elly Petersen, state GOP chairman; and William McLaughlin, state vice chairman, head the list of members of the Republican State Central Committee who will attend.

Also expected to attend the dinner are State Supreme Court Justice and Mrs. Michael D. O'Hara of Menominee. Justice O'Hara will officiate at the 2 p.m. inaugural ceremony in NMU field house Saturday afternoon. Others expected include State Representatives Charles Varnum, Manistique, and Robert Davis, St. Ignace.

Rev. Ralph Jalkanen, president of Suomi College, Hancock, will deliver the invocation at the dinner; and Rev. David LeLievre, director of Catholic Social Services for the Diocese of Marquette will give the benediction.

The patrons dinner is a traditional event held in conjunction with Romney U.P. inaugural ceremonies. Dinner proceeds are turned over to local Republican committees on the basis of number of tickets sold in each county, with a portion of the proceeds being applied to the county's annual State Central Committee finance quota.

## Home Stock Of Survival Food Is Recommended

LANSING (AP)—Every home should always be stocked with survival food to meet emergencies such as the recent snow storm which all but buried southern Michigan, the State Department of Agriculture says.

Department Director D. Dale Ball says last week's blizzard left many homes stranded for as much as four days.

Ball's department is responsible for protection of the public food supply in case of emergency or disaster.

He said survival foods should include dried, powdered and canned staples needing no refrigeration. These should be stored in a cool, dry place protected from insects, rodents, water and fire.

Ball said items occasionally should be used and replaced with fresh supplies to prevent spoilage.

Emergency rations also should include liquids, Ball said, since floods, tornadoes or other disasters may make usual water supplies unsafe.

## Sales Tax Chalks Another Advance, But Margin Slim

LANSING (AP)—Sales and use tax collections for January ran ahead of the year-ago period for the 60th consecutive month—but by only 1.1 per cent, the lowest gain figure in that five-year period.

The State Revenue Department said collections for the month totaled \$70,043,484, some \$884,206 more than in January, 1966.

Trends in collections of the sales tax, the state's major source of income, are carefully watched as possible indicators of Michigan's financial future.

In each of the past 60 months, revenue from the sales and use tax has exceeded the total for the same month in the previous year. But since last September, the percentage of gain has steadily dropped.

The department said January's slight gain came despite a \$1,689,583 drop in collected taxes on motor vehicles. Nonautomotive taxes, it said, accounted for an increased state income of \$2,353,789.

## Michigan Space Scientists Loft 5 Nike Rockets

FORT CHURCHILL, Manitoba (AP)—Five rockets were successfully launched in two days at University of Michigan space physics laboratory engineers attempted to measure gravity waves.

A sixth firing of a Nike Apache rocket was unsuccessful.

The firings, completed Wednesday, are aimed at determining whether gravity waves are in the atmosphere.

Jack Horvath, director of the U-M electrical engineering department, said data from the five successful shots "looks fine."

The next task is to see if gravity waves exist, how strong they are and when they occur, Horvath said. He said this would be done by evaluating the rocket data.

## Germfask

Mrs. William Anderson was hostess to the East End Craft Club at a meeting held Tuesday afternoon at her home. Election of officers was held as follows: Chairman, Mrs. Ling Burns; Vice Chairman, Mrs. Redverse Thibodeau; Secretary-treasurer, Mrs. Clyde Spencer, and reporter, Mrs. Emmett Crown. The next meeting will be held Feb. 7 at the home of Mrs. Emmett Crown.

The Happy Hour Club will hold a meeting Thursday evening at the home of Mrs. Martha Musselman.

Thursday afternoon at a special meeting of the Ladies Auxiliary to VFW Post 8962, Rhea Ellis, 14 District VFW President from Big Bay inspected the Auxiliary. She was accompanied by Vianna Boulden, 14th District Conductress and Helen Vincent, Jr. Vice-President of VFW Auxiliary 7860.

Mr. and Mrs. Robert Bowler have returned from a short trip to Detroit and Mount Clemens.

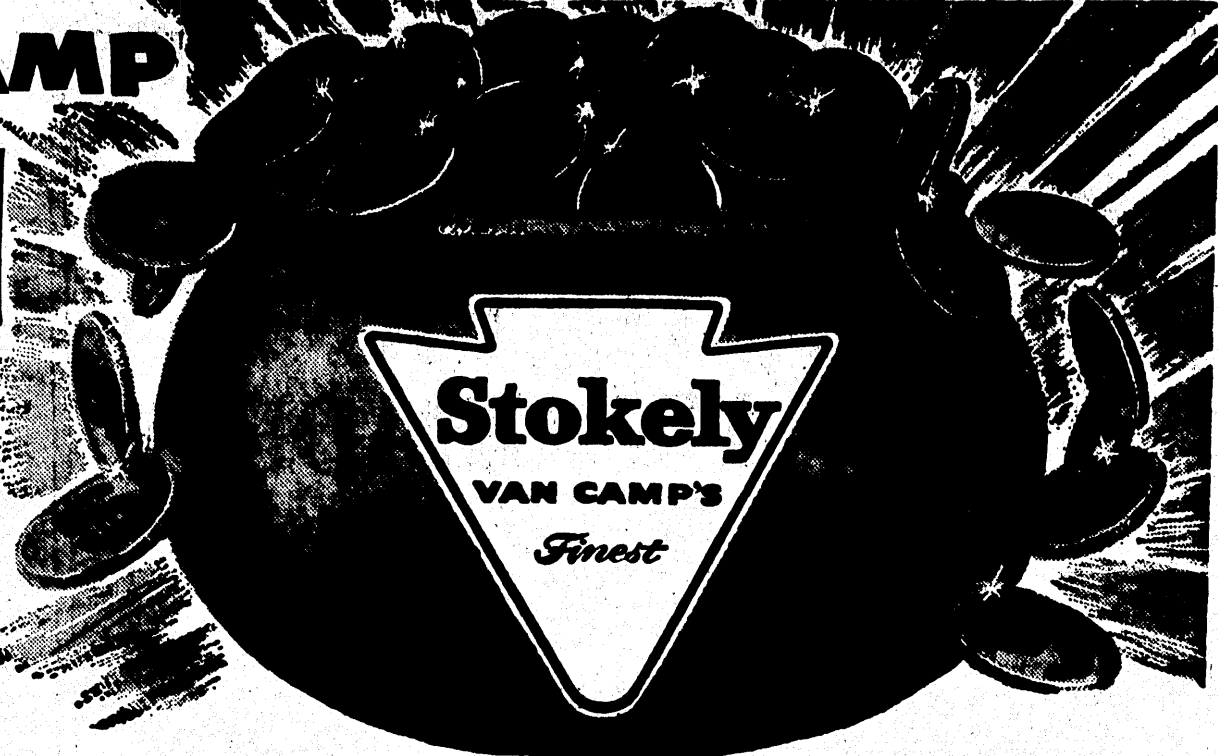

Mrs. Lois Vanetta of Gulliver is visiting at the home of her son, Lawrence Vanetta and family.

Mr. and Mrs. Leo Lawrence visited her sister Pearl Burns, at Engadina, Saturday.

## Turbine Contract

WASHINGTON (AP)—Award of government contracts totaling more than \$5 million to Indiana firms was announced here. They included a \$1,739,746 contract to General Motors Allison Division, Indianapolis, for development of an advanced gas turbine generator.

## 4-H Fun Fair Slated Feb. 12 At Gladstone

The annual 4-H Fun Fair, sponsored by the Delta County 4-H Council and Junior Leaders of the county, will be held from 2 to 5 p.m. Sunday, Feb. 12, at the Gladstone High School gymnasium.

Purpose of the program is to get 4-H club members together. Each club is expected to have one or two games with some clubs planning as many as seven. Tickets for the games will be available at the door. Other activities planned include a lunch booth, a cake walk with every club donating a cake, and a penny toss game. Proceeds of the fair go to support club activities.

## Hold Sangfest Saturday Night

A Gospel Sangfest program will be held at the Kipling Town Hall Saturday at 8 p.m. A program of Gospel music and singing, featuring stringed instruments and accordion music, will be presented.

Among those taking part will be the stringed sextet composed of Mrs. Esther Ekstrom, Marie Collins, Maj. Orville Butts, Rev. Gerald Brady, Edward N. Berg and James G. Haga. Solos will be presented by Mrs. Ekstrom, Rev. Brady and Darryl Lindquist. Duets, including Swedish songs will be sung by Berg and Haga. A medley of Gospel songs on the accordions will be presented by Mrs. Ekstrom, Mrs. Dan Evans and Edward Berg. Group singing of well known hymns will also be included in the program and Mrs. Edward Berg will read the scripture.

No admission is charged for the program and the public is invited to spend a time in fellowship and listening to gospel music. Refreshments will be served.

The sangfest is being arranged and planned by Edward N. Berg and James G. Haga.

### Personals

Allan Hoskins and Mr. and Mrs. Russell Drumb and daughters, of Vassar; Mr. and Mrs. Reginald Willis, of Grand Haven and Mr. and Mrs. Ray Tagge, of Flint, have all returned to their homes after attending funeral services for Mr. David LaBumard.

## Japanese Student Is Buckeye PTA Speaker Monday

Keiko Ono, Exchange High School Student from Japan, will be the guest speaker at the regular meeting of Buckeye P.T.A. Monday at 8 p.m. at the school. Serving on the refreshment committee are Mrs. Ted Erickson, Jr., Mrs. Victor Brock, Mrs. Ed Chroge and Mrs. Wilfred Blair.

## L. F. Hayes Taken By Death

Lawrence Frederick Hayes, 55, of Rapid River died at his home at 11:15 a.m. Wednesday when he fell from his roof while repairing a TV antenna.

Born March 31, 1912 in East Jordan, Mich., he had resided in Rapid River for the past 30 years. He was employed as a steward on the Great Lakes.

Mr. Hayes was a veteran of WW II and was a member of St. Charles Church.

He is survived by his widow, Gertrude of Rapid River; three sons, William Lawrence serving with the USAF in California and Peter and Michael at home; four daughters, Mrs. Kirk (Mary) Nigro of Harrison, Mich., Mrs. Jack (Julie) Ziegert of Rapid River, Mrs. Charles (Phyllis) Carlson of Sault Ste. Marie and Margaret, attending St. Joseph's School of Nursing in Hancock; a sister, Mrs. Charles Wolfe of Houston, Texas and a brother, Cecil of Charlotte, Mich.

The body has been removed to the Skradski Funeral Home where friends may call after 3 p.m. Friday and parish prayers will be recited at 8 p.m. Friday. Funeral services will be conducted at 10 a.m. Saturday at St. Charles Church with Rev. John V. Suhr officiating and burial will be in the Rapid River Cemetery.

### Obituary

**MRS. RUTH THOMAS**  
Funeral services for Mrs. Ruth E. Thomas were held at 2 p.m. Wednesday at the Skradski Funeral Home Chapel with Elder Russell Sarasin officiating. Burial was in Lakeview Cemetery. Pallbearers were Alphonse Cretan, Alfred Rabitoy, Elmer White, Phillip Rachel, LeRoy Pettit and Helmer Peterson.

THE DEGREE of Bachelor of Science in Biology will be conferred on William Laurich of Rapid River by Northern Michigan University, Marquette. The graduation ceremony will take place on Saturday.

## Manager Says Clay Is Ready

HOUSTON, Tex. (AP) — The Cassius Clay camp has spotted the sign that signifies Clay is ready for his Monday night fight with Ernie Terrell.

During his workout Wednesday, Clay continually grabbed his neck where it connected with the shoulderbone. Then he would shake his head briskly from side to side.

Did he have a stiff neck? Was he hurt?

"No," said a smiling Angelo Dundee, Clay's veteran trainer.

"He gets that way before every fight. It's tension. He's not hurt. When he gets this way, it means he's ready. I look for it. When I don't see it, I worry."

Dundee admitted, however, he might be a little worried about Terrell, who Clay fights for the undisputed heavyweight championship in the Astrodome.

Clay is the consensus champion and Terrell is recognized as the title holder by the World Boxing Association.

"This isn't the Terrell I know," Dundee said. "He's aggressive. He doesn't grab. He's throwing punches."

Both fighters worked out Wednesday and will do the same today and Friday. From then on, they will do no more than loosen up until fight time.

However, Clay doesn't seem to be worried about Terrell's ability.

"He's got half the people in the world believing he is the champion," Clay said. "I guarantee he won't land more than one punch a round. I'm going to show the world Terrell has no class."

### Satellite Named

CAMBRIDGE, Mass. (AP) — A small satellite of the planet Saturn discovered by a French astronomer last December has been named "Janus" after the mythical Roman god.

Dr. Audouin Dollfus of the Paris observatory, discovered it. Dollfus picked the name.

## Shed Doctor's Gown To Represent Stars

By HAL BOYLE  
NEW YORK (AP) — First he was a violinist. Then he became an eye doctor.

Then, as the result of one simple idea, he switched to a new career that has made him almost a legendary figure in show business. In fact, he is sometimes referred to as "Mr. Show Business."

Relatively little known to the general public, Jules C. Stein, now 70, is the philanthropic financier who founded and is presently chairman of MCA, Inc., holding company for a \$200-million-a-year entertainment, real estate and banking empire.

It is the parent firm of Universal Pictures, Universal Television, Decca Records, and several other enterprises.

Stein, son of a South Bend, Ind., dry goods store owner, worked his way through the University of Chicago and Rush Medical College playing the violin and saxophone. After a year at the University of Vienna he became chief resident ophthalmologist at the Cook County Hospital.

"As a sideline, I was booking bands," he recalled. "At that time bands often played in the same spot for years."

Third Career  
"I conceived the idea that bands ought to move around more from place to place — the idea of the traveling band."

### Briefly Told

Robert Ballard, 702 Minnesota Ave., was ticketed by State Police for no proof of insurance.

The Gladstone Community 4-H Club will meet tonight at 7:30 at the city hall. Members are reminded to bring articles for the Newberry Hospital drive.

A rabies clinic will be conducted in Rapid River and Gladstone on Saturday. The hours are from 2 to 4 p.m. at the Gladstone City Garage and from 4:30 to 5:30 p.m. at the Rapid River Fire Hall.

## In This Corner

with Roy Crandall

The word is out around the Upper Peninsula about a major school using an ineligible player (too old) in both the football and basketball seasons this year. . . . Some people were casting a questioning look at Escanaba High School early this week, but that's NOT the school involved. . . . The facts are being studied by the Michigan High School Athletic Association and an announcement is expected soon.

Ted Kamarainen, rolling for Skradski's Bar in the Class C League, thudded a national honor count this week with a 700 series on games of 213, 231 and 268, helming his team to a 1936 final game. . . . His was the fourth 700 series recorded here this season.

Bill Koski, senior co-captain of the Northern Michigan Wildcats basketball team, has been sidelined with a severe charley horse in his left thigh. . . . Koski, who did not see action against Tech Tuesday night, will be held out of action Saturday night when the Wildcats face Minnesota-Duluth. . . . Koski, who starred as a high school player under Fred Boddy at Champion, had started every game for Northern this season and was the fourth leading scorer on the team.

Parents of Escanaba High School basketball players and cheerleaders will be honored at the home game against Marquette Saturday night, Feb. 11. . . . Parents will be guests of the school at the game, introduced before the opening tipoff and feted at a lunch and social hour by the Eskymo Fan Club in the faculty dining room following the game.

The famed Harlem Globetrotters will make their annual stop at the Brown County Arena in Green Bay Tuesday night, Feb. 21. . . . Headlining the unit is Meadowlark Lemon along with Fred Neal, Bobby Joe Mason of Bradley, Hallie Bryant of Indiana and Troy Collier of Utah.

Dan Krickard, Muskegon forward who fired in 33 points to lead the Mustangs to their upset victory over Newberry, 88-75, came right back with 21 as Coach Dave Ghiardi's cagers downed Gwin by a 73-55 margin.

Dave Vortanen, classy Suomi College guard, scored 26 points in a losing cause as the Lions suffered a 116-86 setback to the Michigan Tech junior varsity team. . . . Six Tech cagers reached double scoring figures. . . . The defeat was only the third against 14 victories for the Hancock college.

Escanaba golfers lost one of their finest in the death of Elmer Swanson this week. . . . Country Club fairways will never look the same without big Swanie and his short backswing. . . . Always ready to lend a helping hand to the duffer and modest beyond belief in spite of his great golf talents, Elmer was a champion on the course and off.

## Spartan Sub Court Hero

SOUTH BEND, Ind. (AP) — Heywood Edwards, a Michigan State reserve basketball player who had averaged only four points a game, came off the bench to score 22 points Wednesday night as the Spartans took an 85-80 overtime victory over Notre Dame.

John Holmes scored four of his six goals for MSU in the overtime, in which the two teams scored a total of 35 points.

The lead see-sawed through the first half with the Irish taking a 36-33 advantage to the dressing room Notre Dame built a 10-point lead at 51-41 early in the second half but Michigan State came back to tie it at 60-all on a basket by Edwards.

The Spartans went ahead 65-63 on another pulled by Edwards, and the Irish pulled even on free throws with 1:44 left. MSU held the ball for a final shot but missed.

The Escanaba Eskymos can clinch at least a share of the Great Northern Conference basketball crown Friday night when they travel to Menominee.

Coach Harold Johnson's cag-

**Tourney Preview**  
The Holy Name Crusaders will host Gladstone Friday night in a Class B district tournament preview. Holy Name, Gladstone, Marquette and Newberry are entered in the Class B district tournament which will be staged at the Crusader gym the first week in March.

ers will put their perfect 5-0 record on the line against a Maroon team that holds down the runner-up spot with a 3-2 mark. Holy Name and Iron Mountain are knotted in third place.

Following the Maroon outing, the Eskymos have only two remaining conference games against Stephenson and Holy Name. Even if the Esky team lost both those games, no other Great Northern quint would be able to pass them in the standings.

Current conference statistics, released today by Ken Peterson, reveal Menominee's Pat Miller and Escanaba's Paul Miller locked in a tight race for the scoring championship. The Menominee junior has tallied 127 points in five starts and the Eskymo senior has

## Juvenile Team Posts Victory In Puck Clash

The Escanaba Credit Unions Juvenile All-Star team defeated the Bantams Bantam All Stars 13-6 Wednesday night at the water tower rink.

The older Juvenile team led 5-2 at the end of the first frame but the Bantams narrowed the gap to 7-6 in the second period. The experience and speed of the juveniles spelled the difference in the final frame.

Dennis Bourdeau paced the Juvenile attack with four goals and an assist. Bob DeGrand scored the three goal hat trick.

Other Juveniles to dent the nets were Jim Ferrari, Ricky Lancour, Gary Abrahamson, Bernard LaPlante, Guy Provo and Dale Nault. Roger Chylek, Joe Derkos, John Pratt, Stan Wilkison, Dan Larson and Guy Provo also saw action.

Bruce Irving led the Bantams with three goals and an assist. Dennis Lancour, Gary Provo and Lonnie Smith also registered goals for the Bantams. Other boys on Coach Carl Eastman's team were Dennis Eastman, John Strom, Karl Hannula, Robert Stone, Mark Irving and Michael Anthony.

## New Mexico State Belts Ranked Quint

By The Associated Press  
That thud down El Paso way was the Texas Western Miners, national collegiate basketball champions, falling flatter than the bottom of a pancake.

That is a pet phrase of Eddie Mullens, director of sports information at Texas Western. He uses it usually in referring to the Miners' opponents.

It was New Mexico State, beaten in 22 games last season and seven-time loser this year, which flattened the nationally fourth-ranked Miners 68-55 Wednesday night.

In snapping the Miners' seven-game winning streak, the Aggies handed the national champs their third defeat against 14 victories.

All three of the Miners' defeats, by New Mexico, Southern Illinois and now New Mexico State, have been suffered at home. Apparently the crowd of 5,000 at the Miners' Memorial Gym didn't like it Wednesday. They threw debris on the floor

netted 112 in five games. Bob Myrvall of Escanaba, a 6 foot 5 inch senior, has climbed into the No. 3 spot with 86 points.

Myrvall is still the most accurate shooter in the league with an 800 percentage on 36 goals in 45 attempts.

Dan Mylander, Esky sophomore guard, also continues to lead the loop in assists with

## Won't Sell Says Kerner

ST. LOUIS, Mo. (AP)—After nearly a month of uncertainty, the players and coach of the St. Louis Hawks of the National Basketball Association learned they could stop worrying about a move.

The owner of the Hawks, Ben Kerner, said Wednesday he was no longer interested in selling his team. He announced early in January that he was forced to sell because of an arthritic condition.

"I'm glad the club is staying in St. Louis," said player-coach Richie Guerin who was reached in New York where his team had tangled and lost to the New York Knicks Tuesday. The team didn't play Wednesday.

"Most of the players have just bought homes in the St. Louis area and they were pleased when I told them the news," Guerin added.

Soon after Kerner announced his team was for sale a New Orleans group reportedly offered \$3.8 million. When one of the bidders pulled out of the group the deal collapsed.

## Ski Report

Big Powderhorn, Bessemer, 34-38 inch base, 5 inches new snow, skiing excellent.

Brule Mountain, Iron River, 24 base, 3 new, excellent.

Cliffs Ridge, Marquette, 30 base, 4 new, excellent.

Indianhead Mountain, Wakefield, 30 base, 3 new, excellent.

Iroquois Mountain, Sault Ste. Marie, 14 base, 2 new, good.

Mt. Ripley, Houghton, 30 base 3 new, excellent.

Pine Mountain, Iron Mountain, 24-36 base, 3 new, excellent.

Porcupine Mountain, Ontonagon, 14 base, 6 new, excellent.

## Pine Mountain Jump Date Set Feb. 25-26

IRON MOUNTAIN — Gene Kotlarek, the defending U.S. National champion, will be among the leading American riders aiming for top honors in this year's Pine Mountain ski jumping classics Feb. 25 and 26.

The Saturday event will be the Pine Mountain Classic and

## Tommy Davis Signs Met Contract For Record \$47,000, Loses Bet

By The Associated Press  
Tommy Davis lost a \$5 bet but won a \$47,000 contract.

Davis, a two-time National League batting champion, signed his 1967 contract Wednesday, his first after being traded from the Los Angeles Dodgers to the New York Mets.

Although no terms were disclosed, it was believed the 27-year-old outfielder received \$47,000, the most money he's ever earned for one season's play.

Asked how much higher this year's pay is over his top salary with the Dodgers, Davis chuckled and replied, "About 98 cents. . . . No, I got a slight raise, very satisfactory."

But Bing Devine, Mets' president, broke in and asked Davis, "Do I have to remind you that you have already blown your raise?"

Devine then explained that he won a \$5 bet from Davis on the Super Bowl.

Davis was super himself in 1962 and 1963 when he hit .346 and .326 and won two consecutive batting titles. He dropped to .275 in 1964, then broke his right

ankle early in 1965. He came back with a .313 season last year, but the Dodgers apparently weren't satisfied with his runs batted in production — 27 in 100 games.

They traded him to the Mets Nov. 29 along with infielder Derrell Griffith for second baseman Ron Hunt and outfielder Jim Hickman.

The Mets signed two other players Wednesday — catcher John Sullivan and first baseman Terry Christman.

Other players signing included shortstop Gene Alley and pitcher Larry Killingsworth of Pittsburgh, third baseman Pete Ward of the Chicago White Sox, pitchers Wes Stock and Paul Lindblad of Kansas City and outfielders Lee Maye, Willie Smith and Jose Vidal of the Cleveland Indians.

Alley was a major factor in the Pirates' third-place finish last season. Playing in only his second full season in the majors, Alley batted .280 and participated in 128 double plays, both marks being highest among major league shortstops.

## Trenary Comets Pace Loop Race, Rock Runnerup

Team	Standings	W	L
Trenary	10	0	0
Rock	9	1	1
Cooks	7	4	4
Rock River	6	4	4
Nahma	6	5	5
Rapid River	3	5	5
Eben	2	0	0
Perkins	2	0	0
Garden	1	0	0

cluding a 74-71 decision over Rock in the first game of the season. That is the only setback on Coach Gene DeKeyser's Little Giant league record. His cagers have won nine.

Trenary will host the dangerous Nahma Arrows Friday night while Rock entertains defending league champion Rapid River. In other league action Garden travels to Eben and Bark River invades Perkins.

Trenary and Rock will clash in a showdown battle at the Trenary gym Tuesday night, Feb. 7, with the Central League championship at stake. Rock plays one more league game than Trenary this season, so if both teams wind up with one defeat the Little Giants will finish with a better percentage and the league championship.

Coach Steve Ellis' Trenary Comets are cruising along with a perfect 10-0 record, in-

Ward is seeking a comeback after his poor 1966. The American League's Rookie of the Year in 1963, Ward plummeted to .219 last year after a hernia operation.

## Hawks Flying Atop Ice Loop

By The Associated Press  
The Hawks are flying and the Canadiens are coming.

The Chicago Black Hawks, intent on winning their first National Hockey League regular season title ever, have opened up an 11-point lead in the National Hockey League race. The Hawks stretched their unbeaten string to eight games Wednesday night with a 6-1 rout of Boston.

Meanwhile, the Canadiens, called "quitters" by their coach, Toe Blake, less than two weeks ago, have reeled off three straight victories and are suddenly only four points behind second-place New York.

Montreal handed Toronto its eighth straight loss 7-1 in Wednesday's other game.

Ken Wharram scored two goals while Bobby Hull blizzarded his 31st of the season as the Black Hawks walloped the Bruins. Stan Mikita, leading the NHL scoring race by a wide margin, picked up his 23rd goal and his 43rd and 44th assists of the season, running his point total to 67.

In Montreal, Yvan Courmoyer scored his 17th and 18th goals of the season—both on first period power plays—and the Canadiens went on to their biggest scoring night of the season.

Henri Richard, Dick Duff, Ralph Backstrom, Gilles Tremblay and Jean Beliveau scored the other Montreal goals.

Toronto had taken the early lead when defenseman Bob Baun scored his first goal in 158 games covering three seasons. His shot caromed off a Montreal defender and past Charlie Hodge in the first two minutes of the game.

**FRESHMAN GAME**  
The Holy Name High School freshman basketball team will entertain the Marinette Catholic Central frosh in a game starting at 7 tonight.

## On Second Chance:

## Schoolcraft Will Get Air Service

A number of years ago a proposal to voters for improvement of the Schoolcraft airport failed, and had to be re-submitted, when it gained approval, following Soo Line railroad abandonment of passenger runs.

A similar experience came when attempts were made to start a feeder air line service from the airport. Financing was lacking for a proposed operation and the plan did not materialize here.

The area's good fortune on second chances seems to be coming again, with announcement by Peninsula Air Transport that according to plans it will begin providing air service from the Schoolcraft airport Feb. 6 as part of its route service.

The stop here is part of a U.P. service to be provided by a corporation in which R. J. Norton of Escanaba owns and controls stock.

New cessna 402 type, twin-engine planes will be used. They have 7-passenger capacity. The planes will stop here at 12:36 p.m. enroute from Escanaba and at 1:53 p.m., enroute from Sault Ste. Marie to Escanaba.

Using voter-approval millage and state and federal money, the Schoolcraft airport has been provided with paved runway, lights, and other improvements.

During the month of January, the airport logged 31 planes using facilities, compared to 26 a year ago. Those using the field included Lakehead Pipeline, PAT, and Michigan Department of Aeronautics.

## GOP Delegates Are Chosen

The Schoolcraft County Republican Committee has elected Dr. James H. Fyvie, chairman, Fred Cayia and Edwin Long as delegates to the Republican State convention in Detroit Feb. 24-25.

Elected alternates are Charles Varnum, Sherry Varnum and Roma Cayia.

Sen. Charles H. Percy will be the principal speaker for the sessions in the Cobo Hall arena.

Resolutions adopted at the local convention supported state legislative action to exempt the entire state from any change in its 12-month Eastern Standard time system, praised Charles Varnum for his part in the GOP show of unity and victory in the organization of the House of Representatives and supported an adequate and equitable tax reform program, urging representatives in the state legislature to join with Gov. Romney and Lt. Gov. Milliken in devising and enacting a program.

## Big Pike Are Taken

Ice fishing conditions are excellent on inland lakes and protected bays of the Great Lakes, but fishing has been generally slow, the Conservation Department district office in Newberry reports.

Some northern pike were taken on tip-ups near Sucker Lake, Frenchman Lake, Indian and Snyder lakes. Pike fishing is generally good on Millecoquins Lake, where fish are taken by tip-ups and spear-fishing. The lake has a large fishing community.

On Big Manistique Lake, pike fishing is picking up. Don O'Neill of Curtis speared a 17½ pound, 38-inch pike Jan. 25 and a 17½ pound, 41-inch pike Jan. 26. Some nice pike have been speared on Mud Lake in Luce County.

Walleye fishing has been generally poor. Fishermen report seeing numerous walleye in North Manistique and Big Manistique lakes and a few were reported taken from Big Manistique, Whitefish and Indian lakes.

For perch, best results have come from Hulbert Lake, Big Manistique, Deadman's and Bass lakes, Millecoquins (which has good fishing with wigglers) and the north end of Indian Lake.

A few cisco were taken in Ostrander Bay of Big Manistique Lake and Whitefish Lake. Many are observed but are reluctant to take the lure. It is suggested that cisco are fair game with a spear.

East and West Bays at Grand Marais have produced a few menominee. Ice is poor on West Bay.

Limit catches of rainbow have been made on Highbanks Lake. Wigglers and corn are preferred bait. A small hook and light line should be used, the department notes.

## Myrtle Gentz Graduates At NMU Center

Mrs. Myrtle Gentz was among the graduates receiving their diploma Jan. 31 from the Practical Nurse training at Northern Michigan University. Attending the ceremony from Manistique were: Mrs. Emmett McNamara, Mrs. Josephine LaVigne, Mrs. Donald Hoholik, Miss Donna Hoholik, and Mrs. Robert Barr.

## Jim McNamara Work Cited In Magazine

The work of James McNamara in preventing a suicide by a youth in Flint is cited in an article in "Watchdog for Justice" in the current issue of Argosy magazine describing police-school liaison officers' work.

Tucson, Ariz. and Minneapolis are included in communities which also have adopted this system in attempting to prevent crime.

Mr. McNamara is now a juvenile counsellor in Southwest High School in Flint. He spends summers at his cottage at Indian Lake. Currently he is vacationing in Hawaii.

## Hospital

Admitted to Schoolcraft Memorial Hospital were Dean Desjardins, Vincent Weinert, Ronald Tebo, Robbie Conklin and William LaFreniere.

Discharged were Evelyn Patzer, Addie Boyd, Garnet Lippert and Sidney Miller.

## Briefly Told

State Police ticketed James H. Colegrove, 141 S. Mackinac, improper parking and Robert Weber, 711 Arbutus, improper parking.

Sidney Miller was taken by ambulance from Schoolcraft Memorial Hospital to St. Francis Hospital, Escanaba, at 3:45 p.m., Tuesday.

## For Sale By City Of Manistique

One 1957 Cadillac limousine ambulance. Very good engine (new valve job); excellent tires; heavy duty electrical equipment. Interior ambulance equipment removed. May be inspected at City Garage. Submit reasonable offers at City Hall through February 7th.

Fine of \$15 and costs of \$2.70 were assessed in Justice Court to James Demars, Cooks, on a charge of unlawful use of profane language against Ella Carley, made on complaint of Joel Carley. A 3-day jail sentence also was given.

VFW Pasty Supper, Feb. 2, 4:30 to 8 p.m. \$1.00 at the Hall; \$1.25 for home delivery.

Valentine Tea - Sponsored by Zion Lutheran Church Women - Saturday, Feb. 11, 2:30 p.m.

St. Jude Rummage Sale Thursday and Friday in the Garage of Mrs. W. A. Norton.

BE SEATED. Jerry Sloan of the Chicago Bulls looks a bit surprised. Things do get a bit rough at times in the National Basketball Association.

## Pistons Escape Cage Basement, Defeat Knicks

DETROIT (AP)—The Detroit Pistons, who started the season with brave talk of second and maybe even first place, are at least out of the National Basketball Association's Western Division cellar today.

Detroit climbed past idle Chicago with a 104-101 thriller over the New York Knickerbockers Wednesday night.

The Boston Celtics beat the Baltimore Bullets 111-107 and the Los Angeles Lakers defeated the Philadelphia 76ers 143-133 in other games Wednesday night.

Wayne Hightower, bought by the Pistons this week to replace Ray Scott who was lost in the

fiasco of a trade for Rudy LaRusso of Los Angeles, came through for Detroit. He scored a layup with two seconds remaining and the Pistons had a victory at home, their first in eight home games.

Detroit built a 12-point lead early in the third period, but the Knicks surged back as Walt Bellamy got 15 points in the quarter. Willis Reed scored a bucket that made it 84-83 for New York.

The lead jumped back and fourth until Dave DeBusschere, playing coach of the Pistons, scored a basket and Joe Strawder sank two free throws. That made it 92-89 for Detroit with four minutes remaining.

Dave Bing scored four points, but Dick Barnett and Bellamy kept the Knicks close until the final seconds.

Bellamy got 24 points and Barnett had 27.

Detroit was led by Strawder, with 20 points, DeBusschere with 18 and Bing's 17.

Cazzie Russell, former Michigan All-American with the Knicks, was held to four points.

The Celtics were led to victory by Sam Jones who scored 29 points against Baltimore. Five other Boston players scored in the double figures, with Coach Bill Russell grabbing 20 rebounds and getting 14 points. Don Ohl led Baltimore with 24 points.

Elgin Baylor scored 31 of his 44 points in the second half, leading an 82-point Lakers binge after intermission. Jerry West connected for 24 points for Los Angeles. Wilt Chamberlain paced the 76ers with 39 points, followed by Chet Walker with 28.

## Hot Henderson Sets Wing Pace

DETROIT (AP)—The Detroit Red Wings, struggling to make the Stanley Cup Playoffs, face the hapless Boston Bruins in Detroit tonight with the Wings hoping Paul Henderson continues his hot streak.

Henderson and Norm Ullman lead the National Hockey League club in goal scoring, with 17 each. Bruce MacGregor is right behind with 16.

The three form what the Wings are calling the H-U-M line — Henderson-Ullman-MacGregor—and the line has been humming. The three collected six scoring points Sunday in Detroit's come-from-behind 4-2 victory in New York Sunday in their last outing.

Henderson's scoring has come despite his missing 15 of Detroit's 44 games with a wind-pipe infection. The infection hampered him in other games but the 24-year-old winger has been able to use his speed to advantage.

"He can really tramp on it when he wants to," said Detroit Manager-Coch Sid Abel. "Paul will probably wind up in the 30-goal bracket this year, despite missing all those games."

Gordie Howe, playing his 21st season in the NHL, has 14 goals, the same as Ted Hampson, who centers the third line.

## Central Scores Easy Cage Win

MOUNT PLEASANT (AP)—Central Michigan had little trouble Wednesday night in running up an 85-73 basketball victory over Alma.

Gordon Hetrick of Alma led all scorers with 27 points.

But Central's balanced attack, led by Willie Iversen's 19 points and John Berends' 18, was too much for Alma, which lost its 12th game in 14 outings. Central is 13-2.

## Small College Leaders Hold Firm In Ratings

By The Associated Press

The top three teams—Southern Illinois, Kentucky Wesleyan and Cheyney State—held firm in this week's Associated Press small college basketball poll while Indiana State led some changes in the rest of the Top Ten.

Southern Illinois, 13-2 after victories over Abilene Christian and Steubenville, drew 13 of 14 first place votes and 139 points in the balloting by a national panel of sports writers and sportscasters. Points are awarded on a basis of 10 for first nine for second, etc.

Kentucky Wesleyan, 11-1, beat Delta State and collected 121 points, including the other top vote. Cheyney State, 15-0, had 94 points after trimming Maryland State.

Indiana State made the biggest jump, moving from seventh to fifth after running its record to 14-2 with victories over Eastern Illinois and Ball State.

Tennessee State, 14-3, dropped from fourth to seventh despite victories over Youngstown and Central State, Ohio. Akron, 13-2, and fifth last week replaced Tennessee State in fourth behind triumphs over Mt. Union and Hiram.

Grambling, 14-3, retained No. 6 position and San Diego State, 15-2 remained eighth, but idle Trinity, Tex., 11-2, jumped a notch to ninth when Pan American lost two games and dropped out of the Top Ten.

Newcomers Lincoln, Mo., and Southern U. were tied for 10th.

The Top Ten, with first-place votes in parentheses and total points on a 10-0-etc. basis:

1. Southern Illinois (13) 139
2. Kentucky Wesleyan (1) 121
3. Cheyney State 94
4. Akron 91
5. Indiana State 88
6. Grambling 85
7. Tennessee State 80
8. San Diego State 69
9. Trinity (Tex.) 54
10. Ua, Lincoln, Mo. 53
11. Southern U. 50

Card of Thanks

Cholger

We wish to thank all our friends, neighbors, and relatives for all the kindness and sympathy shown us in the death of our dear father, and grandfather, George Cholger Sr. We are grateful to Rev. Philip Kuehn for his comforting words, the pallbearers, those who sent flowers, spiritual bouquets, those who donated food and to the ladies who served the lunch. Your kindness will never be forgotten.

The family of George Cholger Sr.

Cota

We wish to thank our friends, neighbors and relatives for their kindness and sympathy in our bereavement, the death of my dear wife, Millie Cota. We are grateful to Rev. Whipp for his comforting words, to the pallbearers, to those who sent flowers, spiritual bouquets, those who offered the use of their cars. Your kindness will never be forgotten.

In Memoriam

Bloomquist

In loving memory of our dear mother, grandmother and sister, Mrs. Esther Bloomquist, who passed away two years ago today, Feb. 2, 1965. We do not need a special day, To bring her to our minds. The days we do not think of her, Are very hard to find. Within our store of memories, She holds a place apart. For no one else should ever be, More cherished in our hearts.

Sadly missed by The Family of Mrs. Esther Bloomquist

# Dog Pound A 'Bad Situation'

Expressing concern about conditions at the Delta County Dog Pound, the Delta County Chapter of the Michigan Humane Society today directed public attention to what it describes as "a bad situation which exists at the County Dog Pound at the City dumping ground."

Officers and members of the Humane Society have visited the dog pound from time to time to acquaint themselves with the operation of the facility.

Mrs. E. A. Hawkins, Humane Society president, said the Society is hopeful of arousing the interest of city and county officials and other civic and service groups in bringing about an improvement.

She reported that the gas chamber used in disposing of unclaimed animals is defective.

"The door and the hose connection have openings for air to enter and it is not insulated, allowing air to enter, thus causing the animals a long prolonged death. In some cases they may not be dead when removed. A tire iron was found on top of the chamber."

"There is no water and the County does not furnish food for the animals during the three-day waiting period," she reported. "If they are fed, the attendant must feed them out of his salary."

"Recently investigators found four animals in a cage, two were dead and frozen. During wet weather, mud and water covers the sand floor."

"These conditions were reported to the Sheriff's Department and we asked that the gas chamber not be used until it was either repaired or replaced. To date this has not been done. There has been some evidence that practices have continued as usual," Mrs. Hawkins said.

"We would like to have anyone interested see these things for themselves. Certainly no one could be very proud of this situation."

The Humane Society seeks to have not only the "bad situation" at the dog pound improved, but to gain enforcement of the state dog laws.

"Persons who value their pet will also obtain a license and have their pet vaccinated against rabies," said Mrs. Hawkins.

## \$1.153 Billions Budget Biggest Ever For State

(Continued from Page 1)

Although Romney planned to release his spending recommendations to the news media early today, his formal presentation to the lawmakers was set for a televised 7 p.m. joint House-Senate session.

The night session, a departure from tradition, aroused a storm of protest from Democrats who claimed Romney was attempting a political grandstand play.

Republicans said Romney wanted to present the message at a time which would allow maximum television coverage, adding that the gravity of the subject justified the departure from tradition.

Democrats claimed he was attempting to hold a "televised press conference" at the expense of the Legislature.

However, Republicans overrode Democratic objections in the Senate Monday, passing a joint resolution to invite Romney in at 7 p.m.

The resolution ran into more trouble in the House Wednesday when Republicans were unable to muster enough votes to suspend the rules to allow an immediate vote on the resolution.

Democrats refused to go along with the rules suspension, arguing that they first wanted a look at the governor's message before deciding to invite him in.

Romney's income tax plan was not his first.

In 1963, with Republicans in control of the Legislature, a block of GOP conservatives joined a number of Democrats to defeat a Romney tax reform plan.

Although most of the hard-line conservatives are no longer in the Legislature there are still a few around expected to put up a stiff fight against any income tax proposal.

## Mrs. Fred March Taken By Death

Mrs. Fred March, the former Eleanor Ranger, died Wednesday at 2 p. m. at her home, 2218 East 4th St., Royal Oak, Mich. She was 45 years old.

Born in Marinette, Wis., on May 23, 1922, she was the daughter of Mr. and Mrs. Ernest Ranger of Wilson. She was a graduate of the Harris High School.

Surviving are her parents and her husband, Fred, and a son Richard, 14, at home; two sisters, Mrs. William (Luella) Meyer of Clauson, Mich., and Mrs. Harold (Mary Lou) Zeyernam of Norway; and one brother Noel of California. The arrangements for the funeral are incomplete.

THE HUMANE SOCIETY took a first-hand look at the Delta County dog pound at the city dump Tuesday afternoon. Pictured (from left) are Ralph Peterson, a member; Mrs. E. A. Hawkins, Humane Society president; and Dorothy Goodridge, vice president, inspecting the gas chamber used for disposing of the unclaimed animals. (Daily Press Photo)

## Famine Fight Guidelines Set By President

WASHINGTON (AP) — President Johnson asks Congress today to let the United States continue fighting famine in India.

With the once-great American grain surplus now vanished, the White House went to unusual lengths to ascertain India's own efforts to help itself and the prospects for aid from other countries before submitting the new request to Congress.

The guidelines for today's special message were outlined in Johnson's State of the Union message Jan. 10.

He warned that the race between food supply and population increase was being lost. Next to the search for peace, he said, the problem of providing adequate food has now become the greatest challenge to humanity.

Johnson has set three conditions for India and other nations to qualify for American food shipments:

— Developing nations must give the highest priority to food production, including the use of private enterprise for both funds and technicians.

— More voluntary family planning programs in nations with food deficits.

— Recognition by other developed nations of their responsibility to help the newly independent countries avoid starvation.

## Motorists Made 'Smashing' Kill Of State's Deer

Final figures of the Conservation Department show that 1966 was another "smashing" year for Michigan motorists and deer as the state's known toll of highway-killed white-tails climbed to 6,219.

That figure, up nearly 170 animals over the previous high set in 1965, establishes a record in deer road losses for the seventh year running.

Percentage-wise, last year's big jump in highway deer kill took place in the northern half of Lower Michigan where vehicles claimed 1,811 white-tails. This toll was 69 percent higher than the 1965 figure of 1,073.

In the Upper Peninsula, 972 deer were reported killed by motorists, 101 less than the year before.

Last year's district-by-district count on known highway deer losses included:

Baraga, 137; Crystal Falls, 266; Escanaba, 279; Newberry, 290.

## Air Force Shifts To New Trainers

SELMA, Ala. (AP) — The last Air Force pilots to win their wings in the T33 jet trainer will be graduated at Craig Air Force Base near here Feb. 8.

Other Air Force training bases already have converted to the newer T38 jet trainer. Since it was first used in 1949, more than 36,000 Air Force pilots have trained in the T33, the Air Force said.

## 77 Rights Cases

DETROIT (AP) — The Michigan Civil Rights Commission has announced that it closed 77 cases in January. Of these, 23 were adjusted, four complaints were withdrawn, and 42 were dismissed. The cases were brought to the commission by individuals complaining of racial or religious discrimination in housing, employment, and medical services.

## Holstein-Friesian Association Elects Gordon Philbeck

Gordon Philbeck of Menominee was elected president of the Upper Peninsula Holstein-Friesian association at their annual meeting at the Powers-Spalding fire hall.

Other officers elected were Henry Wender, Iron Mountain, vice president, and John Philbeck Jr., Menominee, secretary-treasurer.

The three officers are also members of the Board of Directors along with Edward Magnuson and Walter Breclaw of Vulcan, Kenneth Benson of Powers, and Ralph Paulson of Daggett.

The association set the date for the second U.P. Black and White show as July 22, at the Norway fairgrounds.

## Four Of Quints Reported 'Fair'

NEW YORK (AP) — Four surviving quintuplets born to a 3106-a-week postal clerk and his wife after five years of a childless marriage were reported in fair condition today.

One of the infants, a girl who was the fifth delivered Wednesday night, was stillborn.

Dr. Morton A. Schiffer, director of the department of obstetrics and gynecology at Brooklyn Jewish Hospital, said the chances of the remaining three girls and a boy surviving are "pretty good."

"They all look in very good shape," he said. "One baby is small (a girl who weighs 2 pounds, 10 ounces) but it looks to be in good shape."

The mother, Mrs. Lionel Harris, 31, a registered nurse, said from her hospital bed, "I am so excited and happy. I am really thrilled and look forward to raising one big happy family."

Dr. James Seley, the Negro family's private physician, said Mrs. Harris had taken fertility pills for about four months before becoming pregnant.

## Chips And Splinters

Contributions To Chips Welcomed

David Peterson of the University of Wisconsin Extension Service — a recent Escanaba visitor with U. P. educators about bringing his Wisconsin Idea Theater to the Upper Peninsula — puts his latest Madison show on view in Marinette Sunday, Feb. 5, at 7:30 p.m. at the University Center.

The show, "How Now, Sacred Cow," light-heartedly ridicules Wisconsin foibles.

Carl Nelson reports that the Performing Arts Company from MSU, East Lansing played home made material, back in 1955, a musical, "Michigan Dream," but never brought it to "this colonial part of our Schizo State."

"How Now Sacred Cow," subtitled "A Musical Review with No Malice In Dairyland Intended," is one of the first stage productions ever to take a satirical view of some of the foolishness of the Barger State. From Father Marquette to Louis Joliet, to water pollution and redecorating the governor's mansion, a portrait of life in Wisconsin is presented.

The Wisconsin Idea Theater has planned a more ambitious road program this year than ever before, and this is the first of two visits WIT will make to the Marinette campus this semester. There is no charge for admission to the production in the fine arts room on the Marinette County Campus.

## Briefly Told

Barbershop Chorus members will meet at the Senior Citizens' Drop-In Center this evening at 7. Uniform will be multi-colored vests, bow ties and dark trousers.

The Farm Bureau Women's Committee will meet at Jack's Restaurant, Rapid River, for luncheon at 11:30 a.m. Tuesday, Feb. 7. The program will be presented by Mrs. Patrow.

An immunization clinic will be held by the Delta-Menominee District Health Department in the Delta County Building between 2 and 4 p.m. Friday.

AMVETS POST 123 will meet at 8:00 p.m. today in the Club Rooms of the AMVETS Hall, 1311 N. 21st St.

The Escanaba police department has issued a traffic court summons to Dale C. Leinan, 1315 N. 16th St., for improper passing and lane usage.

August M. LaCrosse, 68, of Escanaba Rte. 1, was ticketed by Escanaba police for failing to yield the right of way following a collision in which the driver of the other car, Eric Froberg of Mount Rte. 1, Escanaba, suffered minor injuries. The accident occurred at 10th St. and 1st Ave. S. at 7:20 p. m. Feb. 1.

Red Back Archery Club will meet at 8 p. m. Sunday at Club 314. Delegates for the spring meeting to be held March 12 in Iron Mountain will be chosen. Anyone interested in joining the club is invited to attend. Coffee will be served after the meeting.

A feed grain base may be established under the 1967 feed grain program for farms which did not plant feed grains in 1959 or 1960 that meet eligibility requirements, the Delta County ASC Committee announces. Interested producers should contact the County ASCS office not later than Feb. 28, and file an application.

Maryland has a total area of 10,577 square miles; 9,874 being land and 703 water.

## Michigan Tech Snowballs Fly At Texas College

SAN MARCOS, Tex. (AP) — Snowballs — some with the consistency of rocks — flew at Southwest Texas State College Wednesday courtesy of a snow-encrusted Michigan Tech University hundreds of miles away from sunny Texas.

The Blue Key Fraternity at Tech in Houghton, Mich., sent 500 snowballs via Braniff Airlines to their "less fortunate brethren" at San Marcos. The mercury hovered near zero in parts of Michigan; it was in the mid-70s in Texas.

The snowballs were packed in dry ice. It was the third consecutive year for the Michigan school to ship the snowballs to the snowless Texas college — President Johnson's aim a mater.

## Seek To End Cement Strike

CHARLEVOIX (AP) — Union representatives and plant officials are scheduled to meet today to try to end a strike at a Medusa Cement Co. \$20 million construction project in Charlevoix.

Some 70 workmen left their jobs Thursday. They are members of the International Brotherhood of Electrical Workers. Cause of the dispute has not been disclosed.

## January Road Deaths Fewer

EAST LANSING (AP) — Traffic mishaps in Michigan killed 118 people during January, 29 fewer than in the same month a year ago, State Police provisional figures indicate.

The State Police Department added the total for the month was below the 1962-66 average for January, which is 134. It said last week's road-clogging snowstorm probably helped cut the traffic toll.

Recording of delayed death reports, police added, have raised the 1966 highway death toll to 2,284.

## Stout Is Lone Candidate For Demo Chairman

LANSING (AP) — Former State Sen. Roger Johnson of Marshall said Wednesday he will head a committee to promote Richard K. Stout for Democratic state chairman.

Stout is a former member of the State Agriculture Commission and has been active for the Democratic party in Calhoun County. He is the only announced contender for election as chairman.

The chairman will be chosen at the Democratic State Convention Feb. 19 in Grand Rapids.

## Negro Leader Proposes 1-Day Buying Strike

DETROIT (AP) — The Socialist Workers Party announced Wednesday support of a planned boycott in sympathy with U.S. Rep. Adam Clayton Powell, D-N.Y., but a Negro leader proposed an alternative.

The Socialists, in a letter to the United Strike Committee, said Congress threw a "blow aimed at all black Americans when it stripped Powell of the chairmanship of the House Labor and Education Committee."

The House also refused to seat Powell pending a probe of his handling of federal funds.

The United Strike Committee, made up of several Negro leaders in Detroit, has set Feb. 13 as the day for a boycott by the city's 500,000 Negroes of their jobs, schools and purchasing.

William V. Banks, a Detroit attorney, suggested a one-day nationwide buying strike by Negroes, rather than the planned boycott. He said the boycott would serve no purpose.

Banks is head of the International Masons, a Negro fraternal group which says it has 150,000 members in 34 states.

Since the earth is not a perfect sphere, the strength of gravity depends on latitude. The pendulum of a clock, for example, will swing more slowly in one part of the world than in another.

## Snow Slicks Up Michigan Roads

By The Associated Press  
Winter-weary southern Michigan residents groaned and reached for shovels to dig out from as much as eight inches of snow again today.

Snow fell overnight, blanketing Lower Michigan in an area spreading from the southwest corner of the state to the tip of the Thumb.

The storm, second major snowfall in less than a week, hit hard at Chicago Wednesday and moved with lesser force across Michigan. Its path was similar to that of the record snowfall which virtually paralyzed parts of the state last week.

The new fall plastered Port Huron and Flint with eight inches of snow, Lansing with seven, Grand Rapids with five and Muskegon and Detroit with three.

Roads became slippery, and motorists reported having to take 50 per cent more time to reach their jobs.

The Weather Bureau said the snow was diminishing to flurries today with temperatures running about the same as Wednesday.

State Police reported southern Lower Michigan roads were snow-covered and slippery.
